2014 Summer Book List Grades 9–12

Dear Students and Parents/Guardians,

The summer months are a wonderful time to explore the world of books and reading—and the staff of the Boston Public Schools and Boston Public Library look forward to helping you plan a reading program to last the whole summer.

This Summer Book List will help you choose high quality literature geared to the interests of high school students. All the books on the list are available at your neighborhood library. Your local librarian can suggest additional titles.

The Boston Public Schools is working to ensure high standards and high achievement for every student in every classroom, and literacy is a priority at all grade levels. We expect our students to work hard at reading and writing, and to keep reading year-round; and we need the support and encouragement of families to help us reach the goal of every student becoming an excellent reader.

Happy reading!

Sincerely,

John P. McDonough
 Interim Superintendent
 Boston Public Schools
