## Language Arts

Our class has been working on the Fall and Apple Themes. They worked on the following activities related to these themes:

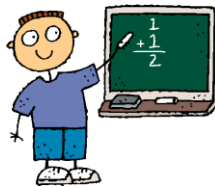

- Read several books relating to Fall and Apple
- Identified the Life Cycle of an Apple Tree.
- Read and identified words that rhymed with Fall
- Made an Apple Tree using watercolor and tissue paper
- Made an Autumn tree using finger painting
- Wrote facts about what they see in the Fall
- Worked on blending sounds, syllable, and rhyming skills

## Math

The students have been working on the 1<sup>st</sup> unit-How Many of Each? This week the students worked on the following math activities:

- Used a Mystery Box to record a solution to a problem
- Worked on a Compared Game to figure out which numeral is larger or smaller
- Practiced counting forward and backward from 0-30
- Worked on addition story problem and recorded their work using various strategies
- Identify whether an equation is true or false

## Afternoon-Program

In the afternoon, the students have been working on the following activities:

- Read several books relating to showing apples
- Made a big apple tree game
- Worked on phonics skills such as rhyming, blending, and identifying initial sounds
- Practiced writing skills through guided writing

## Science

The students worked on the Air & Weather unit. The students have been working on several activities:

- Investigated with several science objects to see how the objects can be moved by and through the air
- Used a vial and a container of water to learn that air takes up space
- Made and worked with a parachute to learn about air resistance
- Used 2 syringes and a tube to investigate that air can be trapped.

Room 205 would like to thank all of the parents who brought in many needed items from our wish list! Thank you so much for your support.

THANK YOU  
VERY MUCH
