- Review and approved meeting minutes for January 2017, motion to approved meeting minutes for January 2017 by Evens – all accepted.
  
- Soft Landing Request was denied, still waiting on an explanation from district. Discussion on brainstorming ideas to support next years cuts:
  - How to better market ourselves, future conversations with SSC. In order to support recruitment efforts.
  - How to maintaining elective options such as: sharing AP class or other classes with WRA.
  - Computer Science Pathway Program – purchase supplies.
  - Science Week was a success; we have about 17 students participating in the Citywide Science Fair, special lunch schedule for participating students on 3/3/17.
  - Restorative Justice Circle, review feedback from student’s participation in it.
  - MLK Day of Service, was a success 98 volunteers, 38 of them were students who suggested we have more days of service.
  - Computer Science Career Panel, USA was able set up shadow appointments for students.
  - Next Steps
