<b>Title:</b> <b>ASSET Update to School Committee</b>	Date: June 20, 2018
Presentation Overview/Action Proposed:	The Academics and Student Support for Equity Team (ASSET) presents updates on four key projects that are leading the district' adoption and implementation of the Essentials for Instructional Equity. The projects, which include; development of Essentials courses and resources, Principal professional learning communities, a pilot of the CLASS evaluation tool, and development of a multi-tiered systems of support have been executed with the goal of improving the strength and quality of our system.
Educational and Racial Equity Implications:	The BPS instructional vision, the Essentials for Instructional Equity (EIE), is grounded in the work of Culturally and Linguistically Sustainable Practice (CLSP), and through our goal of reaching a district-wide implementation of the EIE we aim to close opportunity and achievement gaps. The updates shared on this day are but a step in accomplishing the instructional vision of the district.
