

MEMORANDUM

TO: Chairperson and Members
Boston School Committee

FROM: Dr. Brenda Cassellius, Superintendent *BCC*

SUBJECT: Boston Green Academy Memorandum of Understanding
Revised Language to Match Draft Provisionally Approved by DESE

DATE: July 17, 2019

On April 10, 2019, the School Committee approved the Memorandum of Understanding (MOU) between the district and Boston Green Academy (BGA) for its operation as a Horace Mann charter school for the period of 2016-2021.

Due to an error, the version of the MOU submitted to the School Committee for approval did not include some language that was in the version that the Department of Elementary and Secondary Education (DESE) provisionally approved, including references to BGA's charter application and some reordering/rewording of existing language. Although the changes are not substantive, in order to ensure that the School Committee reviews the MOU as DESE has provisionally approved it, the MOU is being resubmitted for the Committee's approval. DESE has asked that BPS submit a final signed document once approved by the Committee. A redlined copy showing these changes is attached.
