Title: Student Activity Accounts	Date: September 12, 2018
Presentation Overview/Action Proposed:	Presentation of proposed new School Committee policy on Student Activity Accounts and explanation of the new system for managing such funds.
Educational and Racial Equity Implications:	The district is implementing a new system of managing these funds. The new system applies to all schools.
Policy Implications:	The proposed policy will put BPS in line with MGL's and was recommended in the EY report.
Budget Impact:	In the FY19 budget we added a position to support Student Activity Accounts. There are no further budget impacts at this time.
Implications of Yes Vote:	A yes vote would put into place the proposed policy, authorizing the district to maintain Student Activity Accounts.
Implications of No Vote:	A no vote would require the district to cease collecting funds for student activities or for the district to propose alternate language to be considered by the School Committee.
