

Required for all Boston School Committee proposals and other presentations as appropriate.

Title of Proposal or Presentation: BPS Financial Update	Date: 12/4/2019
Summary of Proposal or Presentation:	The presentation will provide an update on the close of the FY19 budget, the status of the current FY20 budget, and include a preview of the FY21 budget.
Equity Implications (please include impacts on people of color, Special Education students, English learners, and other traditionally marginalized populations as appropriate):	The district is implementing the approved budget from FY20 (see equity statement and equity analysis posted online from last year).
Key Highlights or Considerations:	At the request of the School Committee, the FY21 budget preview will include enrollment projections by race .
Has an equity analysis been conducted at any stage of preparation of the proposal or presentation [link to toolkit here]? If so, please share information about the participants and process.	Not at this time. This update reflects past budget decisions and a preview of the upcoming budget proposal, which will be subject to an equity analysis prior to being submitted in February.
Budget Impact (if any):	None at this time.
Implications of a Yes Vote:	N/A
Implications of a No Vote:	N/A
