

PUBLIC ENGAGEMENT FOR STRATEGIC AND IMPLEMENTATION PLANNING

Monica Roberts, Chief Engagement Officer

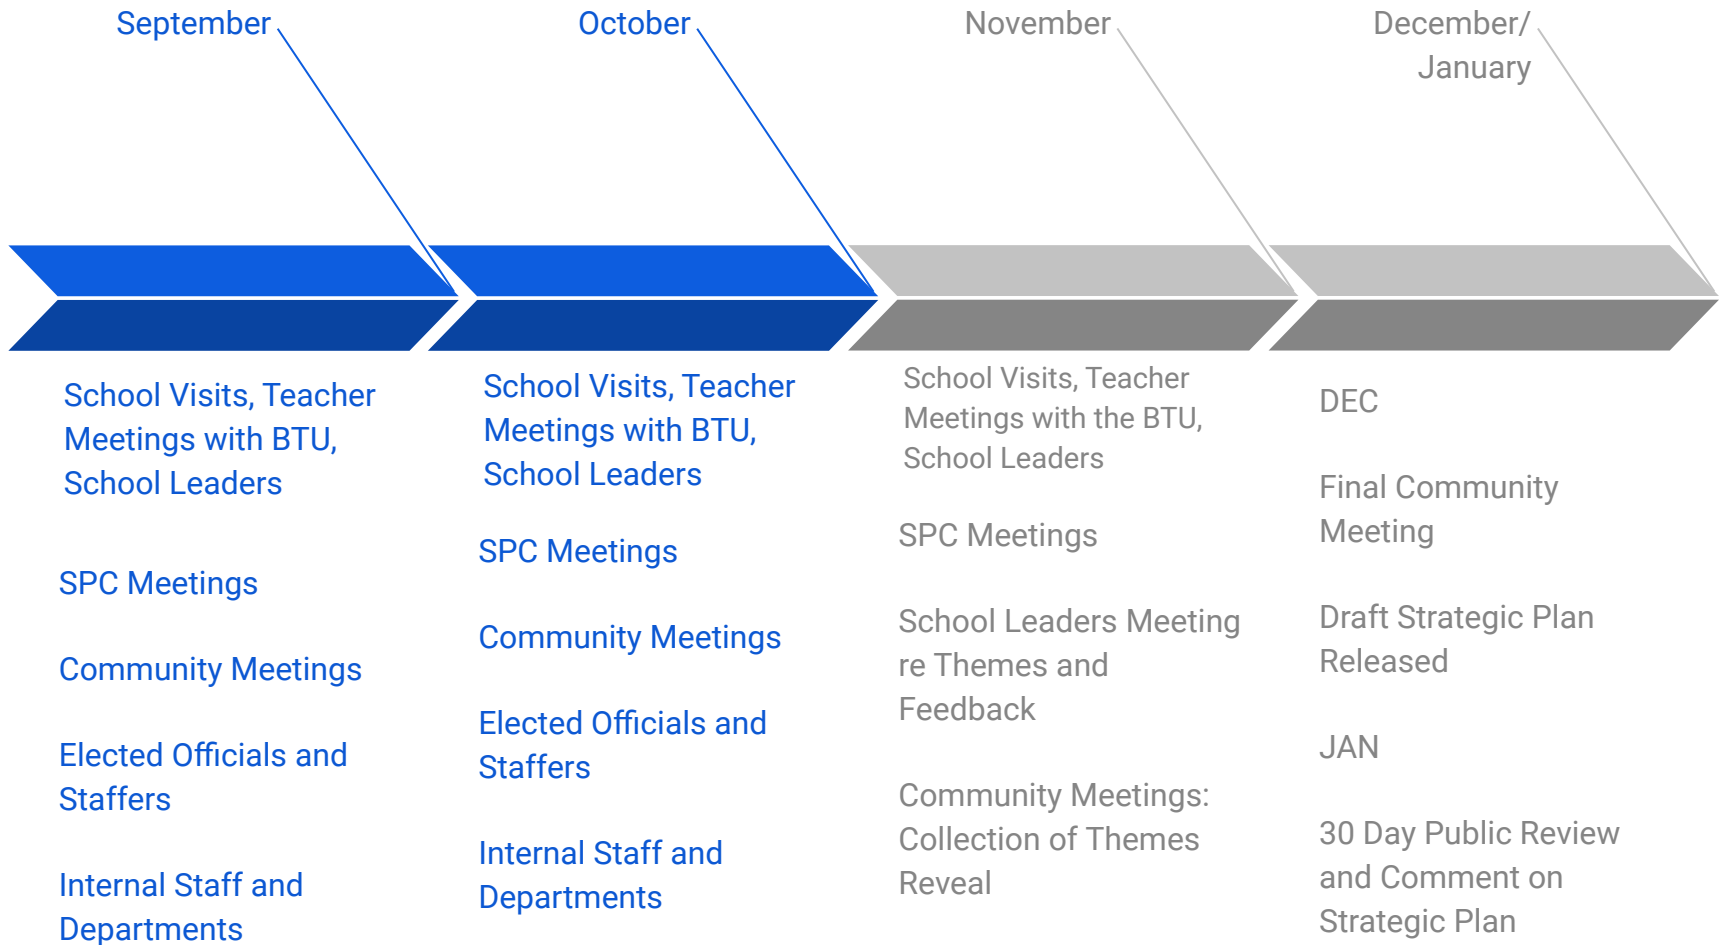

Presentation to Boston School Committee
September 11, 2019

GATHERING • COLLECTING • AFFIRMING

We will engage our diverse community of students, families, school and central staff, partners and community members to:

- *Gather* to review the current goals and priorities in the district strategic plan
- *Collect* feedback to develop our shared values, goals and priorities
- *Affirm* our collective voices in the district strategic plan and FY21 budget process

Community Engagement Timeline

Focus Areas for Public Input

- Current strategic aspirations and priorities
- The opportunities, programs and supports we envision for our scholars
- Becoming parents' first choice
- Meaningful engagement and effective communications at the classroom, school and district levels
- Securing the trust of Boston parents
