RE: SEIU Local 888 (Administrative Guild) Collective Bargaining Agreement

---

Attached for your review, please find the highlights of a tentative agreement with the Service Employees International Union, Local 888 (“Administrative Guild”). The tentative agreements shall be in effect from September 1, 2016 through August 31, 2020. The Administrative Guild ratified the agreements on September 19, 2018. I request a vote on this agreement at the October 17, 2018 School Committee Meeting.

In order to support the costs of these agreements, I recommend that you approve a supplemental appropriation request to the City of Boston in the amount of \$1,013,755 for the cost of the items contained in the agreements for FY19.

Attached for your review are the following documents:

1. Highlights of the tentative agreements;
2. Memoranda of Agreement for 2016-2017 and 2017-2020;

The proposed contract is equitable and affordable and benefits the district, the employees and the students of BPS.
