

# 2015 Horace Mann Charter Renewal Applications

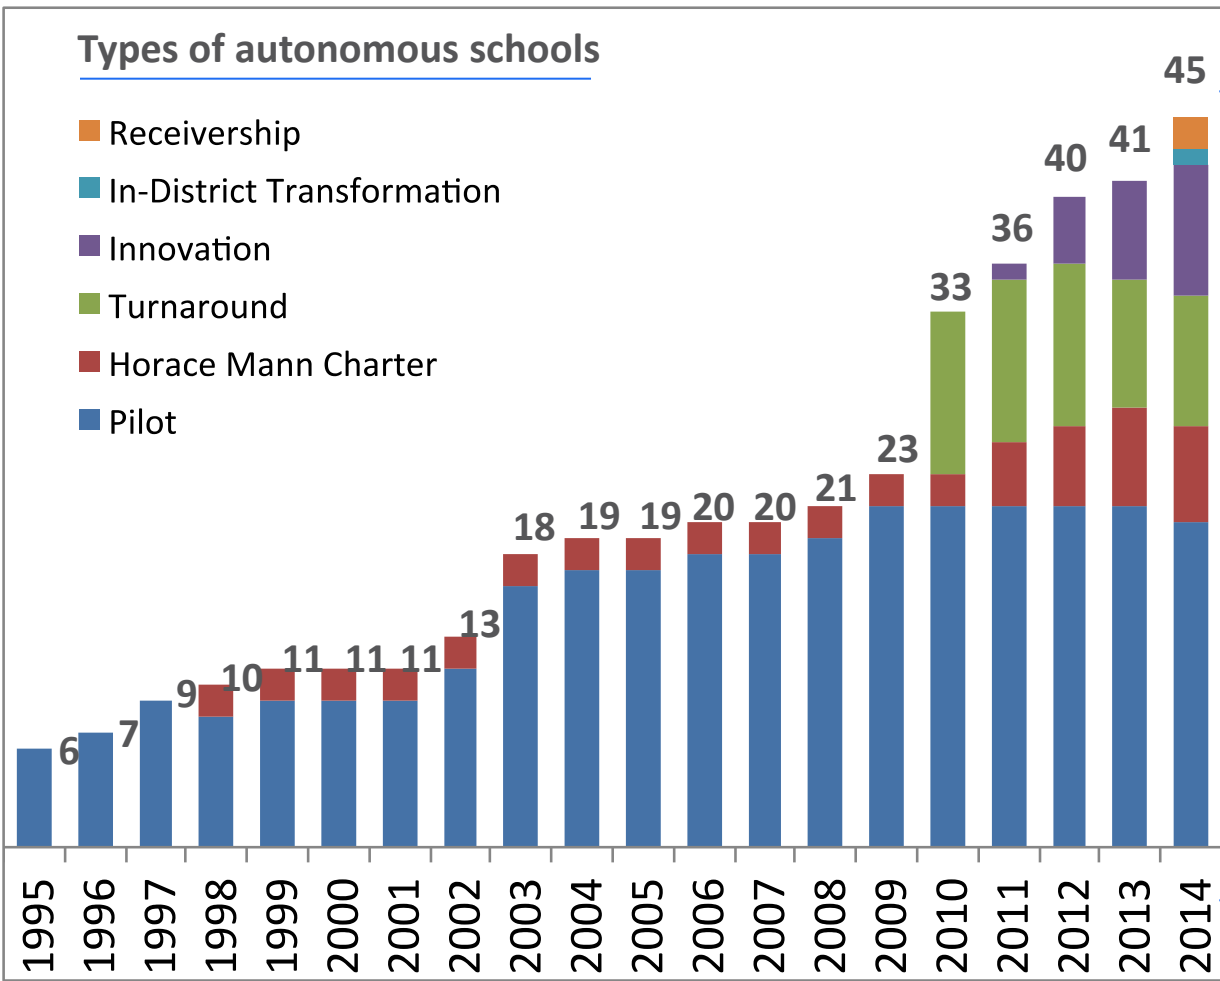

Presentation to the School Committee  
June 10, 2015

# Students in the City of Boston can choose from a diverse portfolio of schools

- “Special” District includes schools for students with disabilities, English Language Learners, and alternative/over-age.
- Note that two turnaround schools are Level 5 schools. BPS will have a total of 126 schools this year.
- 1 district schools also have some curricular autonomy as “Discovery Schools” (Hernandez K-8)
- Students also attend 38 different Metco schools

# Autonomous schools are no longer the exception in Boston

**32%** of BPS students will attend an autonomous school next year

# Horace Mann Charter Renewal Applications

- **Two Horace Mann Charters authorized in 2011 are seeking renewal of their charter from DESE.**
  - UP Academy of Boston (Term of charter: 2011-2016)
  - Boston Green Academy (Term of charter: 2011-2016)
- **Completed charter renewal applications are due to DESE by August 1, 2015 and must include the support of the Boston School Committee as confirmed by a vote**
  - Vote scheduled for June 24, 2015
- **A review of the charter renewal application materials is underway by key members of the Cabinet and other BPS staff**
  - Review includes in-depth review of application materials, school data, DESE site visit and accountability reports, and a site visit of each school
  - MOUs with the district also under review/negotiation of final language
  - Superintendent's recommendations will be submitted prior to 6/24 vote
