New Admissions Policy at Madison Park

Per Massachusetts General Law Chapter 74 and Regulation 603 CMR 4.00 which govern vocational technical education, all vocational technical schools in the Commonwealth of Massachusetts are required to have a state and district-approved admissions policy.

Admissions Policy Approval Process

1. Construct the district admission policy in accordance to guidelines set forth by the Department of Elementary & Secondary Education's (DESE) Chapter 74 Manual for Vocational Technical Education Admissions Policies (www.doe.mass.edu/cte/)
1. Submit admission policy draft to DESE for review/revision
1. Upon successful DESE review, submit admission policy for local district approval
