Re: Proposed Admissions Policy Revisions

Date: August 23, 2023

CC: Dr. Drew Echelson, Dr. Lindsa McIntyre, Dr. Sidney Brown

At the August 30, 2023 School Committee Meeting the Madison Park Technical Vocational High School Admissions Policy Team will present a set of revisions to the original admissions policy proposal based on feedback from the Committee. We appreciate the guidance we received from the Committee on May 24th, 2023.

To respond, we have simplified the admissions process by eliminating requirements in the original process presented to you. Specifically, the revised policy, in response to your feedback, replaces the requirement for an artifact and two letters of support with a single "Statement of Interest" (or "SOI") thereby eliminating a need for reference letters and offering more robust support for students who apply.
