RE: Implementation Update of the Systemic Improvement Plan

Tonight’s presentation will provide an update on the implementation of the Systemic Improvement Plan (SIP). The SIP includes seven focus areas:

- English Learners
- Special Education
- Transformation Schools
- Facilities
- Student Safety
- Transportation
- Data

The slides include the status of the August 15 deadlines in the SIP. All projects are either completed or are on track to be completed for the August 15th deadline. We will post all documents submitted to DESE on the BPS website.
