

BPS/BTU National Board Program

Vision and Goals

- Partnership between BPS and the BTU to support diverse educators to achieve the gold standard in teaching excellence and expanding the number of NBCTs in BPS.
- Teacher leadership model expands our capacity to support candidates through a distributed leadership model that engages more NBCTs
- Vision and Goals:
 - Build leadership skills and develop cohorts of prospective candidates
 - Expand and build capacity for equitable access and agency
 - Increasing the diversity among NBCTs
 - Promote awareness of National Board certification and impacts on teaching and learning
