Appendix
A background: Boston remains under the Garrity Court Order

- The Garrity Order requires BPS to achieve and maintain a desegregated faculty and staff (teachers and guidance counselors), “comprised of not less than 25% blacks and 10% other minorities.”

- The Order expires when black and other minority teachers and guidance counselors “have attained seniority to such an extent that, were a RIF [reduction in force] to occur based on the seniority provisions of applicable collective bargaining agreements reducing faculty and staff by 3%, the racial/ethnic proportions of faculty and staff would, in the written opinion of the Superintendent of Schools, be substantially the same as those existing before it.”

Morgan v. Burke, 926 F.2d 90 (1st Cir. 1991).
