Qiimaynta iyo La Xisaabtanka wadanka oo idil

2021: Faafida Covid-19 dartiis, Gu'ga 2021 MCAS si weyn ayaa wax looga beddelay maamuladii hore ee imtixaannada. Fasalada 3-8, wakhtiga imtixaanku aad buu hoos ugu dhacay, ardaydana waxa loo oggolaaday inay meel fog ka qaataan MCAS. Ka qayb qaadashada qiimaynta ACCESS aad bay u hoosaysay, ka qayb galka MCAS-na waxa uu ahaa mid aan sinnayn dhamaan dugsiyada. Qaabka xisaabinta kobaca ardayga ayaa sidoo kale wax laga beddelay. Ujeedada maamulka MCAS ee 2021 waxay ahayd inuu bixiyo xogta ogaanshaha dugsiyada iyo degmooyinka. Go'aannada isla xisaabtanka lama samayn dayrtii 202.

2022: Dayrta 2022, DESE ayaa soo [jeesdisay](#) qaabka "La xisaabtanka Lite" wuxuuna soo jeedinayaa in la soo saaro qaar, laakiin aan dhammaan, macluumaadka la xidhiidha go'aaminta la xisaabtanka sannadlaha ah. Marka loo eego soo jeedinta ma daabici doonaan bartilmaameedyada tusaha, dhibcaha horumarka ee bartilmaameedyada, qiimaynta horumarka, ama go'aaminta baahida degmo iyo dugsiyeed kasta ee gargaarka ama faragelinta.
