Dib u eegis La Soo Jeediyay oo Ku Saabsan Nidaamka Dhibcaha (NC)

Siyaasadii Hore

Soo Celinta Amaahda / Dhib No: Arday kasta oo ka maqnaada in ka badan saddex maqnaansho cudurdaar ah xilli sixitaan (afar maqnaansho oo aan cudurdaar lahayn ee dugsiyada leh saddex calaamadood oo calaamadeyn ah) - ama in ka badan 12 maqnaansho cudurdaar la'aan sannad dugsiyeedka - wuxuu heli doonaa buundada "NC" (dhibco malahan) haddii ardayga haddii kale kasbaday darajo gudub ah. Tilmaamaha soo socda ayaa quseeya:

- Haddii arday uu kasbaday darajo gudub, isaga ama iyadu waxay u beddeli karaan "NC" una beddelaan fasal warqad iyagoo ku aflaxaya imtixaanka ugu dambeeya dhammaadka sannadka.
- Haddii ardaygu uusan kasban buundada, wuxuu heli doonaa "F."
- Haddii ardaygu helo "NC" hal shuruudood ama in ka badan oo calaamadeyn ah, laakiin aan ka badnayn 12 maqnaansho cudurdaar la'aan sannad dugsiyeedka, "NC" waxaa loo beddelayaa dhammaadka sannad dugsiyeedka heerka uu ardaygu haddii kale heli lahaa .

Dhammaan xaaladaha maqnaanshaha, ardayga waa in la siiyaa fursad iyo mas'uuliyad uu ku dhammaystiro shaqadii ka maqnayd gudahood muddada sixitaanka

Siyaasad la soo jeediyey ee SY21-22

Dhibco Soo Kabashada (Siyaasada Ma Baasin La-joojiyay): Si loo fududeeyo qiimeynta ku saleysan aqoonta ee guud ahaan degmada, Nidaamka No Credit (NC) ee ku saabsan ardayda haysata saddex maqnaansho oo aan cudurdaar lahayn xilliga teeramka (afar maqnaansho oo aan cudur-daar lahayn oo ka yimaado iskuulada leh saddex teeram) waa la joojiyey. Natijjo ahaan, iskuuladu waa inaysan mar dambe ardayda ku meeleynin buundooyinka "No Credit (NC)". Tilmaamaha soo socda ayaa la bixiyay oo la xiriira soo kabashada dhibcaha ardayda:

- Buundooyinka baasitaanka waa inay ahaadaan kuwo ku saleysan karti, taasoo saameyn kasoo gaari karto soo xaadiritaanka iyadoo loo sababeynayo layliyada ama shaqo iskuul oo dhaaftay, laakiin waa inaan lagu xirin kaliya soo xaadiritaanka ama kasoo qeybgalka.
- Waxaa lama huraan ah in iskuuladu ay goor hore wacyi galiyaan ardayda badanaaba halista ugu jirta inay ku dhacaan fasalka.
- Bedel ahaan, iskuuladu waxay u calaamadeyn karaan arday "aan buuxin" si ay awood ugu yeeshaan soo kabashada barashada sinnaanta.
- Xaaladaha oo dhan, ardayga aan helin buundooyinka baasitaanka waa in la siiyaa fursad iyo mas'uuliyad uu si
