

United Steelworkers Local 8751 Agreement

November 28, 2018

We are asking the School Committee to take action on three items next week

1. Letter of Agreement A*
 - a. Contemplates scenario in which BPS retains different transportation vendor(s), but procurement documents specify that the current union would continue to be employed by the new vendor(s)
2. Letter of Agreement B*
 - a. Contemplates scenario in which the City or School Committee provides school bus services with its own employees, rather than through a vendor, and would obligate COB/BPS under the CBA to employ current union to perform services
 - b. The union agrees to no strikes, work stoppages, or slowdowns
3. Supplemental Appropriation Request
 - a. FY19 Impact - \$1,388,154

*Both Letters of Agreement A and B would expire on June 30, 2022, one year after the expiration of the CBA. They each need to be signed by the Chair, in addition to the Superintendent, the Mayor, and union leadership.
