

A. MEMORANDA OF UNDERSTANDING

(1)

(2) **Type A between UP Academy’s Board of Trustees and BPS**

**AGREEMENT BETWEEN THE BOSTON PUBLIC SCHOOLS AND THE
UP Academy Charter School of Boston
A HORACE MANN CHARTER SCHOOL**

AGREEMENT by and between the UP Academy Charter School of Boston (“UP”), a Horace Mann Charter Public School, by and through its Board of Trustees (the “Board”), and the School Committee of the City of Boston, by and through its Public School Department (“BPS”). In consideration of the mutual covenants contained herein, UP and BPS agree as follows:

WHEREAS, Massachusetts General Law Chapter 71, §89 gives the Commonwealth of Massachusetts, Department of Elementary and Secondary Education (“Massachusetts DESE”), with the Board of Elementary and Secondary Education as the authorizer, the power to approve the operation of a public school under a charter (hereinafter, “Horace Mann Charter School”), to stimulate the development of innovative programs within public education, to provide opportunities for innovative learning and assessments, to encourage performance-based educational programs, and for other valuable educational purposes; and

WHEREAS, the Massachusetts DESE promulgated standards and procedures for the operation of Horace Mann Charter Schools under 603 CMR §1.00 *et seq.*; and

WHEREAS, in 2016, the Commissioner, through delegated authority from the Board of Elementary and Secondary Education, granted a new charter to UP Academy Boston to operate as a Horace Mann Charter School from July 1, 2016 through June 30, 2021; and

WHEREAS, the parties are desirous of delineating their respective rights and responsibilities to the extent not fully described by the laws of Massachusetts, and to comply with said standards and procedures;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto agree as follows:

1. Operation as a Horace Mann Charter School.

- a. BPS agrees to permit and enable UP to operate as a Horace Mann Charter School in accordance with: (1) M.G.L. c. 71, §89, and the regulations promulgated in

connection therewith; and (2) the terms of the Application as it may be amended from time to time.

- b. UP will be a middle school serving students in grades six through eight.

2. UP's Annual Budget.

- a. BPS agrees to provide a Lump Sum Budget to UP on an annual basis in accordance with M.G.L. c. 71, §89 and the regulations promulgated in connection therewith for the term of this Agreement and so long as UP continues to operate as a Horace Mann Charter School.
- b. This Lump Sum Budget shall be calculated based on the weighted student funding ("WSF") model adopted by BPS and applied to future-year projected enrollment of UP. An adjustment, based on the same formula used at other BPS schools using the WSF model, will be made to this budget by November 15 of each year to reflect actual enrollment at the school.
- c. UP will use actual salaries of employees in creating and managing its budget for BPS employees. Funding for supplemental positions allocated to UP will be based on average salaries for those positions, including but not limited to nurses and Coordinators of Special Education Services and Supports (COSESS).
- d. UP will have the opportunity to purchase discretionary central support services from the district. In those instances where UP chooses not to purchase a discretionary central support service, BPS will add the equivalent per-pupil cost of the service to UP's budget. Additionally, BPS will provide non-discretionary services (including but not limited to: transportation, employee benefits, facilities, payroll, safety, food service, and other central office services) as in-kind support. BPS and UP will meet by November 1 to review the type and extent of "non-discretionary" services to be provided by BPS during the following school year. No adjustment to the scope of these services shall be made without a discussion and agreement between BPS and UP.
- e. UP will be responsible for all staff and/or services required to meet the needs of students who require special education services, as described in Section 5. UP will receive an additional allocation from BPS each year in order to hire the related service providers and other staff needed for students who require special education services ("SPED Autonomy Funding"). Therefore, each year, UP will inform BPS of the services required for the following year based on anticipated student need by January 1st. BPS will compare that to the centrally-funded supports that would typically be provided by the Office of Special Education and Student Supports to a BPS school with UP's projected enrollment, including but not limited to any allocation of staff and service providers. As with supplemental

positions described in section 2.c, positions allocated to UP will be based on average salaries for these positions. An agreement on an initial allocation of SPED Autonomy Funding to be provided to UP for the future year budget will be finalized by February 15th. The full value of these supports would be added as SPED-restricted funds to UP's budget annually. An adjustment to reflect actual enrollment would be made in the fall, through the same process described in section 2.b. Under no circumstances would the special education allocation decrease by more than 25% versus the prior year. Upon request, BPS will provide UP Academy with an analysis showing how the special education allocation was determined for UP Academy and two similar BPS schools as comparison. UP Academy will have the option to access BPS special education support and services at the same costs reflected in the budget allocation, as long as BPS has the staff and time available to accommodate this desire. Separately, BPS will add to UP's budget the funds to pay for a school nurse or a portion of a school nurse's salary, using the same allocation as used for other BPS schools. Separately, BPS will add to UP's budget the funds to pay for a COSESS or a portion of a COSESS's salary, using the same allocation as used for BPS schools.

- f. The Lump Sum Budget shall not be reduced because of the school's receipt of additional funds from sources independent of the BPS. UP agrees to operate within its Lump Sum Budget plus any other funds that UP may receive independent of the BPS, less services purchased from BPS.
- g. Each fiscal year UP, in accordance with the provisions of M.G.L. c. 71, §89 and the regulations promulgated in connection therewith, shall adopt an annual operating budget for UP, which shall allot funds from the Lump Sum Budget to UP's educational mission as UP deems appropriate. In accordance with the requirements of all Boston Public Schools, UP shall deliver its plan for how it intends to use its Lump Sum Budget to the Chief Financial Officer of the BPS (the "CFO") in such form and time frame as s/he may reasonably specify, with a copy to the Boston School Committee, in no case later than February 1.
- h. UP shall provide notice to the CFO of amendments and modifications to its budget as needed, in accordance with BPS policies, during the year; however, any failure by UP to provide notice of amendments or modifications to its budget will not limit its budgetary authority under M.G.L. c. 71, §89. If requested, UP shall provide the CFO with copies of UP's annual financial audit, UP's budget and any amendments and modifications thereto, and any financial reports that UP submits to the Massachusetts DESE. The CFO may also request, and UP shall provide in response to any such request, additional documentation to support UP's annual operating budget or any amendments or modifications to its budget. Any budget disagreements shall be resolved through negotiation between the CFO and the UP Principal or Chair of the Board. In the event that no resolution is reached, either party may appeal to the BPS Superintendent for a final determination. In all

instances, any disputes must be resolved through negotiation or appeal by February 1.

- i. UP is an independent LEA. As such, UP will be responsible for applying for and accounting for any separate state or federal grants, including, but not limited to, Title I, Title II A, IDEA, and school improvement grants. BPS will be responsible for applying for reimbursements for national school nutrition programs.
- j. BPS will allocate non-WSF funding to UP using the same criteria consistent with all BPS schools except for funding that is explicitly specified otherwise in section 2.i or elsewhere in this agreement. The amount of funding will be determined by BPS each spring for the following school year through the same methodology used at other schools. BPS will be transparent with UP regarding the methodology and rationale used to determine this allocation that UP and BPS schools receive.

3. Operating Account and Expenditures.

- a. By July 1 of each year, the CFO shall establish an operating account for UP in the amount of the Lump Sum Budget as adjusted pursuant to Section 2 of this Agreement (the “UP Operating Account”). Only UP’s Director of Operations or Principal and/or his/her designee(s) shall authorize expenditures from its operating account.
- b. UP shall establish and maintain a separate bank account under its exclusive control (hereinafter, the “UP Bank Account”). BPS agrees to transfer any funds not allocated or budgeted for salaries or stipends at least two times a year, with the first transfer coming no later than July 15 from the UP Operating Account to the UP Bank Account. The first transfer will be based upon the difference between the total Lump Sum Budget as adjusted pursuant to Section 2 of this Agreement provided by BPS to UP and an estimate of the amount of funds UP anticipates spending on stipends and salaries. The amount of this transfer will be mutually agreed upon by the CFO of BPS and the Director of Operations at UP. If parties do not have the ability to calculate the precise amount on or near the July 15 deadline, then they will default to transferring 85% of the previous year’s total net transfer, excluding any one-time revenue the previous year that the parties agree will not recur. In the event that this first transfer is later determined to be greater than the difference between the Lump Sum Budget and the funds UP anticipates spending on stipends and salaries, then UP shall be liable for the difference at the time of the second transfer. The second transfer will occur by January 31 unless both parties agree that a second transfer is not necessary. The third transfer will occur at the end of the fiscal year, no later than August 31. After the CFO performs a year-end reconciliation at the close of the BPS’s fiscal year, any remaining funds from UP’s Operating Account will be transferred to the

UP Bank Account. Expenditures from the UP Bank Account shall be paid in accordance with all applicable laws, ordinances, and regulations.

- c. UP shall have the option to purchase such goods and services from the BPS as set forth in the non-instructional services section of the Application (including, but not limited to, technology and athletics) at costs reasonably determined by BPS, and for all such non-instructional goods and services purchased, UP may request, and the BPS shall provide in response to such request, an annual report detailing the scope of goods and services provided and the cost of such non-instructional goods and services purchased. In addition, UP shall have the option to purchase additional, non-instructional goods and services that have not been specified in the Application as UP shall from time to time determine.
- d. UP agrees that it shall be responsible for all costs associated with the operation of UP. UP further agrees it shall indemnify and hold harmless the BPS, its officers, agents or employees from all claims resulting from any costs incurred by UP, its Board, officers, agents or employees in association with the operation of UP.

4. Facilities.

- a. BPS and UP acknowledge that they share responsibility for securing an adequate facility for UP. BPS will provide and maintain an adequate facility for UP, or, consistent with charter school law and regulations (603 CMR 1.08) and the MADESE Horace Mann Charter School Technical Advisory 03-1 – Paragraph 14), will provide UP with the funds to pay for a facility, including the equivalent costs associated with utilities, facilities maintenance, and custodial staff salaries that BPS would have provided to UP Academy were it to be in a BPS facility. Subject to BPS's aforementioned agreement to provide UP with funds to pay for a facility, in the case that UP operates in a non BPS-owned facility, UP agrees it shall ensure that the site and facilities for the school comply with all federal, state, and local laws, regulations, and codes and shall be responsible for all costs associated therewith. Subject to BPS's aforementioned agreement to provide UP with funds to pay for a facility, in the case that UP operates in a non BPS-owned facility, UP also agrees to be responsible for payment of all lease or mortgage obligations on the site and facilities for the school, utility charges, and any and all other costs associated with the operation of the site and facilities. In the case that UP operates in a non BPS-owned facility, any purchase or lease agreement relating to the site or facilities for UP, including any renewals, must be submitted to BPS for review and for approval by the Boston School Committee and Superintendent of Schools prior to execution by UP, which shall not be unreasonably withheld or delayed.
- b. If UP is located in a BPS-owned facility, BPS shall ensure that the site and facilities for the school comply with all federal, state, and local laws, regulations, and codes and shall be responsible for all costs associated therewith, including

utility charges, and will be responsible for performing building maintenance, and promptly support any capital repairs requested by UP. BPS has processes in place to prioritize maintenance and capital requests from BPS schools. Facilities work requests from UP would be considered promptly and prioritized according to need, using the same criteria as with any other BPS-owned facility. UP and BPS will agree to a reasonable timeline for all UP Academy facilities improvements and BPS shall provide these improvements within that timeline. BPS will consult UP and its Board before a decision is made to move another school or school program into or out of UP's facility.

- c. Unless the BuildBPS process identifies a need for change regarding the building in which UP is currently located, UP will continue to be located at 215 Dorchester Street, South Boston, MA, 02127. If, in the future, BPS proposes to move UP from this location, BPS agrees to notify UP of the same no later than August 1 during the school year prior to any necessary move. Prior to any final decision about facilities relocation, the UP Board Chair and Principal shall meet with the BPS Superintendent to discuss the situation. The decision of the Boston School Committee is final regarding the placement of UP in a BPS facility. UP retains its right to appeal to DESE as detailed in the dispute resolution portion (section 17) of this MOU. If placed in a non-BPS facility by BPS, all applicable provisions of this MOU and related laws and regulations apply.

- e. UP can access BPS's internet services, wireless capacity, and be part of the BPS network. UP Education Network (UPEN), through its management contract with UP, provides direct support of Information Technology. As a result, UPEN will also be authorized access to internet service, wireless capacity, and be part of the BPS network when UPEN staff are on the premises of the school performing the duties on behalf of the charter school. In addition, BPS will provide UP with the technology infrastructure to promote MCAS 2.0 and/or other statewide assessment readiness as it would for any other BPS school.

5. Special Education and English Learners

- a. UP will manage all aspects of special education and English Language Learning, including but not limited to the cost of ensuring compliance with federal and state special education regulations, supervising all special education and English Learner staff and service providers, coaching staff, facilitating IEP meetings, maintaining special education folders, facilitating RTI Team meetings, collecting and maintaining special education and English Learner student-related data, scheduling IEP meetings, delivering academic services (inclusion, pull, and in substantially separate settings) to students with disabilities and English Learners, developing and maintaining IEPs, administering academic testing, case managing, providing support to SPED, English Learner and General Education Teachers by conducting small group instruction, providing behavioral support in the form of functional behavioral analyses and positive behavioral intervention plans,

UP, as its own Local Education Agency, will continue to be monitored by the Coordinated Program Review Process through Massachusetts DESE.
- d. UP retains budgetary autonomy regarding its special education and ELL staff and program.
- e. In the event that an UP student who has an IEP may need an alternative placement as determined by his/her IEP team, UP and BPS will operate in accordance with 603 CMR 28.10 and all relevant published Department guidance regarding each parties' responsibilities and the required procedures for consideration of placement.

UP agrees that the dismissal of all staff members shall be done in accordance with federal and state law, municipal ordinances and applicable Acknowledgement of Working Conditions agreements. UP agrees to submit to BPS a final and approved copy of its policies regarding student conduct prior to the start of each school year if requested. All parties endeavor to minimize the amount of time any student is excluded from the learning environment at UP. UP agrees to collaborate and share its Code of Conduct and approach to student discipline with BPS so that both parties can mutually benefit from one another. BPS and UP will develop a process to ensure that students expelled from UP will be re-enrolled into BPS in a manner that is aligned with how BPS re-enrolls students expelled from other BPS schools.

11. Student Enrollment, Recruitment and Retention.

- a. Students will be enrolled in UP in accordance with the provisions of M.G.L. c. 71, §89(l), (m), and (n).
