Meet with a Registration Specialist who will review residency documentation and all other documentation required to enroll in BPS; once reviewed, the Specialist will begin the registration process.

Your application travels on to an Assignment Specialist where it has a final review. Your child is then assigned a seat in a school. Once assigned, if your child is eligible for a bus, transportation enrollment happens automatically and your assignment notice will be mailed to your home.

If your child has an Individualized Education Plan (IEP), your application then travels to the Special Education Department. There, trained staff will review your child’s IEP and identify a school that can best serve your child’s needs.

Students, accompanied by parent(s), will take the language assessment on the date and time scheduled. After, the tester will make school recommendations based on the level of proficiency of the student.

Meet with a Registration Specialist who will review residency documentation and all other documentation required to enroll in BPS; once reviewed, the Specialist will begin the registration process.

For the most current school hours, visit: www.bostonpublicschools.org/belltimes
Boston Public Schools offer academic, social-emotional, cultural, and extracurricular programs that meet the diverse needs of all families across the city. From pre-kindergarten through high school, our schools strive to develop in every learner the knowledge, skills, and character to excel in college, career, and life.

BPS offers:
- Guaranteed full-day “K2” for all 5-year-olds, more than 3,000 “K1” seats for 4-year-olds, and a limited number of “K0” 3-year-old programs; with programs ranging from traditional schedule, to extended day schools and a Montessori program;
- Schools with different grade configurations including a number of K-6, K-8, and 7-12 programs;
- A range of school models including traditional, innovation, pilot, and in-district charter schools;
- Schools with programs for talented and gifted students, English learners, and students with disabilities.

As you explore the variety we offer, please contact our schools and talk to our principals, teachers, students, and parents. We know that you will find the best options for your family within the Boston Public Schools!

Please note that due to COVID-19 and the disruption of the previous two school years, many of the metrics that we report in this publication were not updated or not published, either by the district or by the state. Due to the COVID-19 pandemic and irregular administration of the 2021 MCAS, there will be no published State Accountability Ratings for 2021. The 2019 accountability data will remain in effect until Fall 2022. Although it will not be used for accountability purposes, DESE has published 2021 MCAS results, graduation rates, and other data points.

WHO should register for school?

In Massachusetts, every child must start school in September of the calendar year in which he or she turns six years old. (A birth year of 2016 for School Year 2022-2023). In Boston, seats are guaranteed for K2 Kindergarten for all students who will be five years old by September 1, 2022 for School Year 2022-2023. There are also limited seats for children ages 3 and 4, although these are not guaranteed.

WHAT are my school choices?

BPS offers a customized list of school choices for every family based on their home address. Visit www.discoverbps.org for your personalized list.

WHERE can I register?

Contact any of our Welcome Centers. Learn more at www.bostonpublicschools.org/welcomeservices

- Dorchester - 1216 Dorchester Ave., 617-635-8015
- East Boston - 312 Border Street, 617-635-9597
- Roslindale - 515 Hyde Park Ave., 617-635-8040
- Roxbury - 2300 Washington Street, 2nd floor, 617-635-9010

WHEN should I register?

2021-2022 school year: Now
2022-2023 school year, for the best chances of getting your top choice:
- January 5-28 Pre-Kindergarten (K0 & K1) and grades 6, 7, or 9
- February 7-April 1 Kindergarten (K2), Grades 1-5, 8, 10-12

Seats are guaranteed for grades K2-12 no matter when you register. However, we strongly encourage you to register during your priority round for the best chance of getting your top choices.

HOW do I register?

Contact a Welcome Center. All registrations, transfers, and changes of address must be completed by parents or guardians there. To streamline your visit, pre-registration is available at sis.mybps.org and appointments can be scheduled at www.bostonpublicschools.org/appointment. Please make sure you have:

- Parent/Guardian photo identification
- Child’s original birth certificate (or, if necessary, passport or I-94)
- Two proofs of Boston residency (see page 4)
- Child’s up-to-date immunization record (see page 5)
Who Needs to Visit a Welcome Center?

If you are...

- New to Boston Public Schools
- A family that didn’t get your K0, K1, or K2 seat last year
- Interested in switching schools

Then

- Contact a Welcome Center with appropriate documentation (see page 5)

- In your final year at a School for Early Learners (ELC/EEC/EES)
- In your last year at a K-5 or K-6 school
- In grade 8 and in your last year at your school

Complete the choice form distributed by your current school

Where can I learn more about each school?

Online: www.discoverbps.org is our online tool to help you learn about the different programs, hours, uniform policies, facilities, and the academic performance of the schools on your list.

The Office of Welcome Services traditionally holds Information Sessions and School Preview Events throughout the fall for families to understand the registration process, visit schools, and learn more about their school options. This year, due to Covid-19, these events will be held virtually. Please visit bostonpublicschools.org/welcomeservices for more information and a schedule of these events as they become available.
Registering Your Child

Before You Contact A Welcome Center

- Get your list of schools at www.discoverbps.org
- Pre-register online at sis.mybps.org
- Schedule an appointment at bostonpublicschools.org/appointment
- Make sure you have the following documents:
  ✓ Child's original birth certificate, I-94 form, or passport
  ✓ Child's up-to-date immunization record
  ✓ Parent/Guardian's photo identification
  ✓ Proof of Residency: two of these printed with the name and current address of the student's parent/guardian:
    - A utility bill (cannot be a water bill or cell phone bill), dated within the past 60 days
    - A current lease, Section 8 agreement, or BPS residency affidavit, dated within a year
    - A deed or a mortgage statement dated within the past 60 days, or a property tax bill dated within the last year
    - A W2 form dated within the year, or a payroll stub dated within the past 60 days
    - A letter from an approved government agency, dated within the past 60 days
    - A bank or credit card statement, dated within the past 60 days

Contact a Welcome Center

Make sure you have the documents listed above when you contact one of our four Welcome Centers (see page 2).

- If you are registering for this school year (2021-2022), contact a Welcome Center as soon as possible.
- If you are registering for the next school year (2022-2023):
  ✓ Entering grades K0, K1, 6, 7, or 9: visit any Welcome Center between January 5 and January 28 for the best chances of getting your top choices. You will be notified by March 31.
  ✓ Entering K2 or any other grade, visit any Welcome Center between February 7 and April 1 for the best chances of getting your top choices. You will be notified by May 31.
  ✓ Seats are guaranteed for grade K2-12 no matter when you register.

*or official documentation of disease/immunity

**the seasonal influenza vaccine for the current flu season (July-June) must be received annually for anyone 6 months of age or older by December 31. New students entering between January 1 and March 31 must have received a dose of vaccine for the current flu season for entry.

^the last dose must be on or after the 4th birthday and >6 months after the previous dose, or an additional dose is required

^ ^Meningococcal Conjugate vaccine is required for entry into grade 7 and an additional booster dose on or after age 16.

In addition, we strongly recommend that your child have a Tuberculosis Risk Assessment at the annual physical.

Special Situations. Except in an emergency or epidemic, students may start school if a parent or guardian presents a written statement (1) from a physician that their child has not been immunized for medical reasons, or (2) that the child has not been immunized due to his or her religious beliefs.

For more information, go to: www.mass.gov/service-details/school-immunizations.

Contact BPS Health Services at 617-635-6788 if you have questions.
BPS has a **Home-Based** student assignment policy to assign K0 through grade 8 students. All of our high schools remain citywide options for all students.

**The Home-Based plan uses a student’s home as the starting point.**

BPS offers a customized list of school choices to ensure that every family has access to high-quality schools, no matter where they live. Every family has a choice of at least six schools; most will have between 10 and 14 choices. English Learners and Special Education students may have modifications to their choice list depending on their individual needs. See page 12 for details.

**The list includes:**

- Every school within a one-mile radius of the home
- As needed, nearby, high-quality options
- Specific program offerings for the grade of the child, such as a bilingual program, a K0 program, citywide options, and other regional options
- School determined by earlier policies, such as a school that changed building locations

Students who apply during the priority registration period for their grade have the best chance of assignment to their top choice schools. The Home-Based plan uses an algorithm, similar to a lottery, to determine assignment based on both a random number and a series of priorities (see page 7 for details). As a result, we cannot guarantee an applicant will be assigned to one of his or her top choices. Also, due to the limited numbers of seats, we cannot guarantee assignments for students applying to K0 or K1.

---

**Students Experiencing Homelessness**

Homeless Education Resource Network at 617-635-8037.

If you move to a shelter, are doubled up (sharing the housing of other persons due to loss of housing and economic hardship), or are living in any other temporary situation, go to any Welcome Center and give them your new address.

Students have the right to stay in their current school for the duration of homelessness, even if they move to a different school district. Transportation will be provided if the ride for a K0-K2 student is 45 minutes or less. Transportation will be provided for 1st to 12th grade students if the ride is an hour or less. Students have the right to stay at their current school whether or not they live with their parents. The parent/guardian may also choose to enroll the child in a school within the new home-based list, town, or city where they live temporarily. If a student becomes homeless during the summer and has to move, the student can return to the school that he or she last attended. Transportation may be provided unless the new address is within a mile of the student’s school. If the family moves into permanent housing, the student may finish the year in the same school, and transportation will be provided.
School Assignment Policy

What are the “priorities?”
Sometimes, a school doesn’t have room for every student who lists it as a choice. When this happens, students are assigned based on priority, which may include:

1. Present School Priority
2. Sibling Priority
3. EEC/ELC Priority
4. East Boston/Non-East Boston Priority

Present School Priority
This gives a student priority to a program in his/her school over another student who attends a different school. For example, a student currently enrolled in a grade 3 SEI program at the Hennigan School will receive priority to a grade 4 General Education seat at the Hennigan over a grade 3 student currently attending the Mendell School who has selected the Hennigan on their choice list.

Sibling Priority
Boston Public Schools works to keep families together in the same school if that is what parents prefer. To help make this possible, the assignment policy prioritizes siblings during the assignment rounds to increase the chances that they can attend the same school. However, because schools do not always have room for all the siblings who apply for it, sibling assignments in the same school are not guaranteed.

Priority for students from Schools for Early Learners
Students completing grade 1 at a School for Early Learners without a guaranteed pathway school have a higher priority to available grade 2 seats before new students or transfer students who do not have siblings at that school.

East Boston/Non-East Boston Priority
Given Boston’s unique geography, students who live in East Boston are given priority to schools in East Boston and students who live outside of East Boston are given priority to schools outside of East Boston, unless they choose otherwise.

Please Note: These priorities do not supersede the registration period in which you register. Students who register during the first priority registration period for their grade will all be considered before any students that register in a later registration period. That is why it is especially important for you to register in the first registration period for your child’s grade in order to have the best chances of receiving one of your top choices. Go to page 5 to see the priority registration period for your child’s grade.

Waitlists
If you don’t get your first choice, BPS will try to assign your child to one of your other choices. Your child will also be placed on one or several waitlists based on the rules below.

Families who register before April 1, 2022:
- Will be on all waitlists for schools they ranked on their choice list higher than their assigned school until June 15, 2022. During this time, students will be automatically assigned to schools from waitlists as seats become available.
- After June 15, 2022, students will automatically remain on one waitlist, their highest ranked school, unless a parent contacts a Welcome Center to specify otherwise.
- If a seat becomes available, students will be moved automatically into higher-ranked waitlists through July. If you are happy with your child’s assignment and do not want your child moved into a higher-ranked school, please remove your child from any waitlists.

Families who register after April 1, 2022:
- Will automatically be placed on one waitlist for their highest ranked school.

Waitlist Notes:
- Waitlists expire November 30 for grades 1-12 and January 31 for grades K0-K2.
- If you do not receive a seat from a waitlist before it expires, you need to reapply for a transfer at a Welcome Center.
- Waitlists do not carry over from year to year.
- Due to capacity issues, Boston Public Schools may have to assign newly registered students, 5 years and older, to schools ahead of students currently on waitlists.
- If you re-activate a waitlist that you had previously removed, your child will be added to the bottom of the waitlist.

Receiving an Assignment from a Waitlist
- After July, if a seat becomes available at your waitlist school, Boston Public Schools will contact families by email or phone to confirm you would like to accept the seat. Please ensure your contact information is up to date by calling or visiting one of the Welcome Centers.
Random Numbers
The computer gives each application a random number. Random numbers are used to break “ties” between students who registered during the same period and have the same priorities for the school.

Guaranteed Pathways
For general education students, some of our elementary schools are connected to a 6-8 school or a K-8 school as a guaranteed pathway. Families in the final grade at a school with a guaranteed pathway will receive a letter that lists your pathway school. If you are happy with your pathway option, you will be automatically enrolled in that school for the next grade. If you want to make another school choice, fill out a school choice form during the priority registration period to have the best chance of getting your preferred school.

Changing your Address
If you have moved since registering, contact a Welcome Center with your photo ID and two proofs of Boston residency to change your address (see page 4).

Note that we can’t change your bus stop until you change your address.

Explore your family’s new choice list by entering your new address at www.discoverbps.org.

If your child’s current school is within your new Home-Based list:
- Your child can remain at his/her current school and may be eligible for transportation.
- Or you can select a new school for your child.

If your child’s current school is NOT within your new Home-Based list:
- Your child can remain at his/her current school but will not be eligible for transportation.
- You can select a new school for your child within his/her choice list, and he/she may be eligible for transportation.

Transferring Schools
In BPS, a transfer is when a student moves from one Boston Public School to another Boston Public School. If your child currently attends a school outside of Boston, or attends a private, parochial, or charter school, then please follow the instructions for registration on page 4.

To submit a transfer, a parent must contact visit a Welcome Center with a photo ID.
- Transfers for the current school year end on November 30, 2021 for grades 1-12 and January 31, 2022 for K0-K2.
- Transfer requests for the 2022-2023 school year begin in January 2022. Please follow the registration timeline on the inside cover.

Please note:
- Due to limited availability of seats, transfers are not guaranteed. If available, students will be assigned to their top-ranked school with an available seat.
- A transfer will replace any prior assignments, rankings, and waitlists. This means that if a transfer is granted for the current school year, your child will lose their current school year assignment.
- Similarly, if a transfer is granted for next school year, your child will lose any prior assignments for the next school year.
- For all transfer requests, if no seats are available, your child will be placed on the waitlist for their first-choice school until waitlists expire.
- If your child is assigned to a high-level-of-need-special-education program (full inclusion or substantially separate), transfer requests for the 2022-2023 school year will be reviewed in late July/early August of 2022 and then again in November 2022. If your child is in a kindergarten program, requests will also be reviewed in January 2023.
- In addition to calling a Welcome Center, parents can also request a transfer in writing through the Special Education Coordinator at their child’s school.
- Please note that the special education transfer request policy applies to students moving from one program to the same program at a different school and does not apply to students who need a different school and/or program as determined by the IEP Team.
Transportation

617-635-9520
bostonpublicschools.org/transportation
Support Portal: bostonpublicschoolshelp.freshdesk.com/support/home

These students are eligible for transportation:

- Students in grades K-5 who attend a school within their Homebase and live one mile or more from their Early Education Center, Early Learning Center, or elementary school
- Students in grade 6 who attend a school within their Homebase and live one and a half miles or more from their middle school
- All students in grades 7-12 are eligible for free M7 MBTA passes

Most students who take a school bus are picked up and dropped off at a corner stop near their home. Students in grades 7-12 get an MBTA pass or a combination of a T pass and a school bus. Sixth-grade students who are eligible for a school bus may opt-in to receive an MBTA pass instead by contacting the Office of Transportation.

Once your child is assigned to a school, you will be notified if your child is eligible for transportation. For assignments for this school year, you will receive your information in the mail within two weeks. For assignments for next school year, you will receive your child’s bus stop, bus number, and schedule in the mail in August.

Transportation for Students with Disabilities

Students with disabilities may receive corner-to-corner service, MBTA service, or door-to-door service, as specified in their Individualized Education Program (IEP). To discuss what services are most appropriate for your student, please discuss with the IEP Team. To request medical transportation, please contact your school nurse or Health Services at 617-635-6788 during the summer. Please note that medical transportation is not automatically renewed each year.

Alternative Transportation

“Alternative transportation,” to or from a bus stop other than your home stop (such as an after-school program), can be requested. Students who are not eligible for transportation to and from home may also request this service. Your request is subject to these restrictions:

- The stop you request must be on an existing bus route and must not add time to the route.
- There must be room on the bus for new students to be assigned to the bus route.
- The alternative stop must be requested for the whole week, not just certain days.
- BPS does not provide door-to-door alternative service unless it is required in an IEP.

Opting out of Transportation

If you do not intend to use school bus transportation, we ask that you let us know so that the seat on the bus can be used by another student. If you decide to use transportation services at a later time, you can let Transportation know and they will reinstate bus transportation. Just provide 2-3 weeks notice for Transportation to provide a bus assignment.

Contacting Transportation

For more information and to submit requests for Alternative Transportation, Transportation Opt-Outs, and others, please visit the Transportation Support Portal at www.bostonpublicschoolshelp.freshdesk.com/support/home or call the Transportation Department at 617-635-9520.
**Programs Offered**

**Pre-K Boston**  
(*Universal Prekindergarten - K0-K1*)  
bostonpublicschools.org/upk

Pre-K Boston provides high-quality preschool for every 4-year-old living in Boston at no cost to families.

All Boston children who are four years old by September 1, 2022, are eligible. The preschool program is a six-and-a-half-hour school day at either a Boston Public School or a UPK Community Early Learning Center for 180 days per year. Information on the Universal Pre-K program in Community Early Learning Centers can be found at bostonpublicschools.org/upk.

Research shows that children who attend the BPS Pre-K program outperform students who do not attend and have long-term academic achievement.

**What does high-quality pre-K mean?**

- The Boston Public Schools program exceeds national standards.
- All pre-k teachers have a degree in early childhood education and are prepared to teach in classroom settings to support students of all backgrounds and needs.
- Teachers receive ongoing professional development throughout the year to enhance their teaching.
- Expert coaches provide ongoing support to teachers.
- Students learn from the Boston Public Schools Focus on K1 Curriculum and Building Blocks Curriculum, which are national models in early childhood education.
- All classroom environments are age-appropriate and culturally responsive.
- Small classrooms with 2 educators for 20 students.
- Nationally accredited by the National Association for the Education of Young Children (NAEYC).
- Each community early learning center has a Parent Engagement Coordinator available to provide support to families to meet their individual needs.

Boston Universal Pre-K is funded by $15 million from the City of Boston and the Mayor’s Office is committed to providing a high-quality education to every child in every neighborhood.

---

**Kindergarten (K2)**  
BPS offers several options to get our youngest learners off to a successful start:

- **Kindergarten.** Kindergarten is a six-hour (full-day) program for 5-year-old children provided in all elementary schools. School assignment is guaranteed for all children who apply for full-day K2. However, due to space constraints, an assignment cannot be guaranteed to a school you choose. To register for K2, children must be five years old on or before September 1, 2022.

- **Schools for Early Learners (ELC/EEC).** Several schools offer full-day programs from K0/K1 through grades 1 or 3. These schools also provide free before and after school care from 7:30 a.m. to 4:35 p.m. Due to limited seats we cannot guarantee an assignment to these programs, but we encourage families to apply.

**Important Kindergarten Notes**

- All general education kindergarten students are guaranteed a seat through the highest grade of their assigned school, following the guidelines of our student assignment plan.
- To know which kindergarten program your child is eligible for, please see the chart on page 4.
- State law states each child must attend school beginning in September of the calendar year in which the child turns six years old.
- If you need other preschool options for your three- or four-year-old child, you are encouraged to check out Head Start, Child Care Choices of Boston (childcarechoicesofboston.org), and other preschool options.

---

**Countdown to Kindergarten** is a school readiness campaign that helps families participate actively in their child’s education right from the start, understand the value of kindergarten, and learn how to choose schools and then register in the Boston Public Schools.

Visit countdowntokindergarten.org for programs and a calendar of events near you.
Excellence For All (grades 4-6)
617-635-9202 Information
bostonpublicschools.org/efa
Excellence for All (EFA) is a BPS initiative that expands access to rigorous and enriching 21st Century learning experiences in grades 3-6 across 15 schools. EFA provides teachers with ongoing and direct coaching, professional development, and support that focuses on cultural proficiency, literacy, English Language Learners, and students with disabilities. Students in grades 3-6 receive enrichments including the STEM Program (coding, robotics, and 3D Printing coursework), the Scholars Program (exam school prep and executive function support), and World Languages coursework (Spanish, Mandarin, and French). Each year, students in grades 4-6 participate in the EFA Capstone Project, where they research and propose solutions to global and community issues. At the end of each school year, EFA hosts the EFA Capstone Conference where students present to their peers, teachers, and community partners.

Exam Schools (grades 7-12)
617-635-9512
bostonpublicschools.org/exam
BPS has three “examination schools” for grades 7-12 that admit students through a separate process: Boston Latin Academy, Boston Latin School, and John D. O’Bryant School of Mathematics & Science. All three schools accept new students for grades 7 and 9. Students interested in applying for admission for the 2022-23 school year must meet the minimum GPA or MCAS test score criteria for eligibility. For the 2022-2023 school year, students will be invited based only on GPA. There will not be a separate entrance exam administration for the admissions process for this year. Beginning with the admissions process for the 2023-2024 school year, students must still meet the minimum GPA requirement; however, students will be invited based on both GPA and their results on an entrance exam. Students interested in applying for the 2023-2024 school year will have two opportunities to take the entrance exam - once in the spring of 2022 and again in the fall of 2022.

Students who are not currently enrolled in a Boston Public School must also confirm their Boston residency as part of the application process. Current BPS students are not required to complete the residency verification process.

Career and Technical Education (CTE) (grades 9-12)
617-635-9186
bostonpublicschools.org/cte
BPS has developed a wide array of CTE opportunities to allow students to compete for rewarding careers in over 25 fields. CTE provides hands-on learning that builds academic and technical knowledge, problem solving skills, general employability skills, and specific career skills that lead to industry credentialing. Our goal is that every CTE student possesses strong academic, technical, and professional skills upon graduation in order to access rigorous post-secondary opportunities, including two- and four-year college degrees, certification, and technical training programs and apprenticeships.

BPS offers over 40 Pathways through four types of Career and Technical Education programs:

- **Chapter 74** programs offered at Madison Park Technical Vocational High School, The English High School, Boston Arts Academy, and Kennedy Academy for Health Careers. These programs meet the definition of vocational technical education contained in Massachusetts General Law Chapter 74 and the Perkins Act and are approved by the Department of Elementary and Secondary Education.
- **Non-Chapter 74** CTE Pathways are offered in Boston’s comprehensive high schools. These programs meet the definition of vocational technical education contained in the Perkins Act and are approved by BPS.
- **Innovation Pathway** CTE Pathways is offered at the Dearborn STEM Academy and Excel High School which are approved by the Department of Elementary and Secondary Education.
- **Early College Pathways** Offered at Charlestown High School, Madison Park, and Dearborn STEM Academy

**Out-of-district vocational requests**
Non-resident student tuition applications for any out-of-district vocational placement requests must be submitted by email or mail to the Executive Director of Career and Technical Education before April 1, 2022 for consideration for the upcoming fall. Students considering this option should contact the Office of Career and Technical Education for help with this process. All individuals, including those who are members of special populations are provided with equal access to career/vocational technical education programs, services and activities and are not discriminated against based on their status as members of special populations or race, color, sex, national origin, disability, religion, sexual orientation, gender identity, English language proficiency, disability, or sexual orientation. Perkins Sections 122 & 134, Vocational Technical Education Regulations 603 CMR 4.03(4) (6) (7), M.G.L.c.76, Section 5.
**Students with Disabilities**

617-635-8599

The Office of Special Education provides guidance and assistance to families and schools in supporting the success of students with disabilities.

If you suspect that your BPS student may have a disability, please contact the principal of your student's school. If your student does not attend a Boston Public School, contact the Office of Special Education at the number listed above.

**English Learners**

617-635-9435 Information
617-635-1565 Testing and Placement
(NACC - 2nd floor of the Bolling Building, Roxbury)
bostonpublicschools.org/EL

English Learners (ELs) are students who are speakers of languages other than English and who are not yet proficient enough in academic English to perform classwork in English without language support. About 15,000 students in BPS (30% of all BPS students) are classified as English Learners.

If a student’s Home Language Survey indicates a language other than English, they are tested by the Newcomers Assessment and Counseling Center (NACC). All NACC tests are by appointment only.

**EL Program Options:**

- **English as a Second Language (ESL) in General Education or Special Education**  For schools without a language program, English Learners are assigned to general education classrooms but receive English language development through ESL classes. It is important to note that ELs in these settings are required to be taught by a qualified teacher(s).

- **Dual Language Education**  English speakers and speakers of one other language learn a partner language and academic content together. The goal is for all students to become fluent and literate in both languages. BPS has schools that offer American Sign Language (ASL), Haitian Creole, Vietnamese, and Spanish programs.

- **Sheltered English Immersion (SEI) language programs**  Students are ELs who (1) have an English language level of 1 to 3 and (2) are taught by a qualified teacher for content (math, science, history, literacy) instruction. The student also receives ESL instruction throughout the day, which is designed to aid students to learn the language faster.

**Language-specific**  The language of instruction is a combination of English with native language support as needed. Languages currently offered are Spanish, Haitian Creole, Vietnamese, Cabo Verdean Creole, and Chinese.

**Multilingual**  The language of instruction is English.

- **Students with Limited or Interrupted Formal Education (SLIFE)**  BPS recommends this program for students age 8 or older who have recently arrived in the U.S. and whose schooling experience places them at least 2 academic years behind U.S. peers. In this program, students receive intensive instruction in their native language in reading/writing, math, science, and social studies in small class-size setting.

- **Additional Program Requests**  If 20 or more parents at a school would like to request a different model of language instruction for their school, please submit a letter to the Office of English Learners describing the request with the contact information of the parent group that is interested in this opportunity.

---

**District English Learner Advisory Committee (DELAC)**

The District English Learner Advisory Committee is a group of EL parents whose purpose is to advise the Office of English Learners regarding issues related to English Learners. DELAC meets on the second Tuesday of each month.

**English Learner Advisory Committees (ELAC)**

There are seven language-based advisory committees that represent each of the following language groups; Arabic, Cabo Verdean, Chinese, Haitian, Spanish, Somali and Vietnamese. Like DELAC, each of the ELAC groups meet once a month and the meeting is conducted and facilitated in the native language of the group.

For more information about DELAC or language based ELACs, visit www.BostonDELAC.org.
How Schools are Rated

State Accountability
For more information, visit www.doe.mass.edu/accountability

All schools in BPS (for school year 2018-2019*) were rated by the State of Massachusetts. All schools with sufficient data are evaluated and categorized based on state test data and other indicators.

*The Department of Elementary and Secondary Education did not perform accountability calculations in fall 2020 or 2021. Therefore, the most recent accountability results for any district or school are from fall 2019, and the next time DESE publishes updated accountability results will be in fall 2022.

Each school is classified as either: Schools of recognition, Meeting or exceeding targets, Substantial progress toward targets, Moderate progress toward targets, Limited or no progress toward targets, In need of Focused/targeted support, or In need of Broad/comprehensive support.

School Specific Categories

<table>

School Quality Framework (SQF)
For more information, visit www.bostonpublicschools.org/schoolquality

The School Quality Framework is a system of measurement that redefines how the quality of a school is assessed. BPS believes that school quality is best determined by looking not only at how students perform on standardized tests but also how they grow from year to year, along with examining certain key areas of a school, such as its culture. This framework provides families with more comprehensive data about our schools so families can make better-informed and more customized school choices. BPS uses the School Quality Framework as a way for families to compare a school’s performance to other Boston Public Schools. Scores are based on criteria such as student performance, quality teaching, leadership, and school culture. Each school is assigned a School Quality Tier of 1-4, with 1 being the highest.

Massachusetts Comprehensive Assessment System (MCAS)
For more information, visit www.doe.mass.edu/mcas

Students in grades 3-10 are expected to take the statewide standards-based assessment, MCAS (Massachusetts Comprehensive Assessment System). The MCAS subjects tested vary by grade and include ELA, mathematics, and science, and technology/engineering (STE). For each assessment, students receive one of four achievement levels (Exceed Expectations, Meets Expectations, Partially Meets Expectations, and Does Not Meet Expectations), based on their performance on the test, that show where students are in reference to the grade-level expectations.

Due to COVID-19, adjustments were made to the MCAS administration in 2020-21. Students in grades 3-8 took only one session of the MCAS and were also permitted to take the MCAS remotely. Results from this administration are to be used for diagnostic purposes only. Therefore, accountability determinations were not made in the fall of 2021 and MCAS results for schools are not included in this guide.
BuildBPS is the 10-year education and facilities master plan for the Boston Public Schools (BPS), reflecting a $1 billion commitment from Mayor Martin J. Walsh.

BuildBPS aims to modernize schools to provide more spaces that facilitate 21st century learning, along with embarking upon construction of new school buildings, expanding classroom seats in areas of the city with the most need, minimizing school transitions for students, adopting two preferred school grade configurations (K-6/7-12 and K-8/9-12), and ensuring greater equity of program placement to meet the needs of English learners, students with disabilities, and other populations.

We continue to develop specific proposals for numerous BPS schools – based on the plan’s guiding principles – with the intention of engaging the community for feedback over the next several months and years.

The BuildBPS guiding principles are:

- Expanding access to quality learning environments for more students
- Addressing enrollment challenges to meet student needs
- Locating new or expanded buildings in neighborhoods with high student need and low current access
- Creating more equitable program placement and learning opportunities for our students with high needs, including students with disabilities and English learners
- Reducing the number of times students change schools during their pre-K-12 experience
K-8 Schools at a Glance

We welcome you to learn more about all of our schools. To know which schools will be on your child’s choice list, please visit www.discoverbps.org and type in your address, or contact/visit a Welcome Center. Because every family has their own custom list according to the rules of the Home-Based plan (see page 6), we have listed information on all schools in this magazine. Please be sure to focus on the schools on your particular list.

Adams Elementary provides a dynamic learning experience in a diverse, inclusive, equitable, and welcoming environment. We believe that together, everyone achieves. Adams educators purposefully select, design, and prepare standards-aligned learning experiences where all students use instructional dialogue and writing to express their thinking.

Special Features:
- Currently in the process of NAEYC Accreditation for our Early Childhood Program.
- Enrichment programs in music and art.
- Specialized block in schedule to target student individualized growth.
- Family Outreach Coordinators.
- Activities for parents including Kindergarten orientation, Open House, Family Math Night, parent workshops
- Physical education, science, art, and theatre as specials during the day for students
- Diverse multi-lingual staff
- Highly Effective Programming for students needing Applied Behavior Analysis Programming, (ABA).
- Social Emotional Learning Curriculum- ENGAGE
- Outdoor Garden

Uniform Policy:
- Navy blue shirts and sweaters and navy blue or khaki pants/skirts. Patches with the school logo.

Before and after school programs:
- After school program until 6 PM operated by YMCA (fee). Theater Club, Running Club and Sailing Center.
- English Learner programs:
  - SEI-Spanish
  - ESL in General Education.

Special Education programs
- Resource Room teacher who provides services to our students with mild learning disabilities.
- Autism Highly Specialized Strand for K0-6.

Alighieri Montessori School
K0-Grade 6
Jessica Gorham, Principal

Alighieri Montessori School provides children with individualized learning goals. Classrooms are of mixed ages where children and adults work side by side. Special Montessori learning materials encourage concentration, coordination, order, and respect. Our school’s focus is to provide every child, every day a high-quality Montessori education. We are an inclusive community that is actively engaged in pushing the boundaries and discussion of equity for all of its community members.

Special Features:
- ESL instruction is provided in our school for all English Language Learners five days a week.
- Special Education is provided 4 days a week: Tuesdays through Fridays.
- Reading Recovery is available as an intervention to 1st grade students that are emergent readers.
- 3 Wilson Certified Teachers are available to provide interventions in reading, comprehension, and response to literacy.

Uniform Policy:
- Pants / Shorts / Skirts: Dark blue / navy blue, cargo pants. Shorts / Skirts should be knee length. Shirts: White or light blue polo shirt, long sleeve, or a t-shirt without designs or writing on the front or back.

Special Application Process:
- Students interested in applying will have their names sent to the Alighieri. Staff will contact families in random number order, and determine their level of experience with the Montessori program and then offer a student an assignment if a seat is available.

The Roger Clap School is a full inclusion school. Each classroom has multiple adults that allow for increased opportunities for individualized and small group instruction. We provide an expansive art experience where children also have access to dance and instrumental music programs. We build strong family-school partnerships through family conferences and opportunities for families to contribute to the learning in our classrooms. We educate students to become civically engaged in the service of their school and the local community. Our focus is on building a culture of high-quality, anti-racist, and inclusive practices.

**Special Features:**
- Multiple adults in each classroom to allow for individualized instruction.
- An inclusive school climate that nurtures strong relationships.
- Science, instrumental music, movement/dance, visual arts, and physical education.
- Town Hall Meetings with members of the community.
- Rigorous instruction for all students.
- Weekly school newsletter is sent home to families.
- Field Trips aligned to the curriculum.

**Uniform Policy:**
- Navy blue or white tops without graphics and navy blue pants or skirts. New students receive a Roger Clap t-shirt.

**Before and after school programs:**
- BOKS, our before-school fitness program.
- Winning Every Student. Physical fitness and \ academics and improving student performance.

**English Learner programs:**
- ESL in General Education.

We have a newly renovated playground with an amphitheater and outdoor classroom. Our staff works as a team to ensure that all of our students meet their academic and socio-emotional potential. We pride ourselves on maintaining a rigorous, fun, and safe school environment that is conducive to learning. We strive to develop the "whole child" through a robust arts program, different health and wellness programs, socio-emotional supports, and access to different technologies. Our purpose as educators at the Conley School is to enable each student to become a productive and responsible member of society with the desires, the skills and the abilities necessary for life-long learning by setting high standards.

Special Features:  
- Small school with a warm, nurturing atmosphere.  
- Science, music, and physical education specialties  
- Technology: All students in grades 2 - 5 have their own Google Chrome book.  
- Tutors from Boston Partners in Education, partnerships with BalletRox and Urban Improv  
- All staff are trained in Responsive Classroom  
- On-site counseling available for all students  
- Active School Parent Council which hosts a wide range of family activities and fundraisers  
- Safe and nurturing learning environment  
- New 6th grade class.

Uniform Policy:  
- Navy blue slacks, skirts and jumpers with light blue shirts, blouses, and school t-shirts. Shirts with our Conley School Symbol and Slogan are available.

Before and after school programs:  
- The YMCA provides an after school program for grades K2-6, 3:10-6:00.

English Learner programs:  
- ESL in General Education.

We are a dual language school (English/Spanish). Every student is taught in both English and Spanish regardless of their home language. Students are engaged in thematic studies, which vary according to the grade and Common Core State Standards. The staff is experienced, innovative and demand excellence from themselves as well as their students. We also have a low turnover among staff allowing stability in planning long-term curricular goals. The Arts are integrated throughout the curriculum by both music/movement specialists and classroom teachers in collaboration with one another. The Hernández community partners with families so that the needs of each child are met. Our school focus is dual language project based learning centered in the arts.

Special Features:
- Dual Language instruction in both English and Spanish.
- Project based learning
- Integrated Arts curriculum and partnership with area museums
- After School Program runs from 3:00-6:00 pm

Uniform Policy:
- Navy blue pants/skirt and baby blue shirt/blouse with purple school logo. P.E. uniform: navy blue sweatpants and t-shirt with school logo.

Before and after school programs:
- After school until 6:00 pm: homework, arts & crafts, martial arts, drama, visual arts, yoga, dance, African dance and drumming, Sole Train, Strong Women/Strong Girls, middle school peer leadership, $300 per month with partial scholarships available.

English Learner programs:
- Dual Language-Spanish.

All students engage in social justice and project-based themed units of study. All students have access to art, science, coding, robotics, Spanish, PE, and music. We also have a fully inclusive chorus and band. Holmes scholars are courageous, resilient, and curious about their place in the world. They challenge social injustice! Together, we take full responsibility for all of our scholars by providing personalized learning pathways, and robust opportunities.

Special Features:
- 21st-century model inclusion school that fully includes students with disabilities in inclusion classes.
- Small class size of 15 students in K0-K1 and 20 students in K2-grade 5 in inclusion classrooms
- NAEYC Accredited Kindergarten Programs
- Strong music program, with band and chorus, and a grant from VH1. Save the Music
- 1-1 technology device match
- Grant from ASTOS to support creative activities for students with and without disabilities
- Partnership with Expeditionary Learning (EL)
- Additional partnerships: UMASS Boston, Wheelock College, Americorps, and City Year
- Achieve Before and After school Enrichment Program
- City Connects Partnership with Boston College
- UVA Partnership School

Uniform Policy:
- Dark blue or khaki skirt, pants, jumpers with a white, or light blue shirt, blouse or polo top with the Holmes Logo.

Before and after school programs:
- Before school: 7:00 - 9:00 am
- After school: Achieve: 4:20-6:00 pm, academic and enrichment.

All our students learn in Spanish and English. This type of program is an enrichment program and students benefit greatly from learning another language. Because of the richness of this program, students perform at high levels on the state assessments.

**Special Features:**
- Committed to graduating students who perform at the proficient or advanced academic levels in two languages.
- STEM.
- Soccer field.
- Playground.
- Annual field day, movie nights, and family nights.
- After school program.
- Fully automated bilingual school library.

**Uniform Policy:**
- Khaki or navy pants/skirts, white shirt/or navy blue shirt/blouse/sweater/T-shirts.

**Special Application Process:**
- This applies to students entering the Hurley in grades 3 and up only. You must schedule a language test for your child in English and in Spanish with the school once we determine that there is space in the requested grade. Only those students meeting our language criteria will be admitted.

**Before and after school programs:**
- After school: YMCA offers “Bodega de Arte.” Students receive the opportunity to work with the Museum of Fine Arts, Robotics, Playworks, etc.

**English Learner programs:**
- Dual Language-Spanish.

John F. Kennedy School prepares its students to meet the high demands of 21st-Century standards. The John F. Kennedy School’s educational theory of change involves the integration of three core strategies: consistent use of data to guide decision making, continuous improvement and engagement in teaching and learning and fostering a school culture that allows all students to thrive.

**Special Features:**
- Safe, nurturing, child-centered environment with outstanding staff who are engaged in every aspect of student learning.
- Smartboards in all classes to allow teachers to record their instruction and post the material for review by students at a later time.
- Open Circle is a comprehensive, grade-differentiated social and emotional learning program for grades K-5 children.
- Full-time instructors in art, music, physical education and science.
- Fundamental programs, focusing on increasing the amount and quality of our students’ reading.
- Student teachers from Wheelock College and interns.
- Spacious gymnasium and auditorium.

**Uniform Policy:**
- Navy blue slacks/skirt/jumper with white blouse or polo shirt.

**Before and after school programs:**
- BOKS before school, YMCA before/after school program.
- Simmons College (America Learns) Tutoring grades 1-2, America SCORES soccer and writing grades 3-5; After School enrichment in robotics, engineering, and science.

**English Learner programs:**
- SEI-Spanish.
- ESL in General Education.

The Lee Academy Pilot School is a fully inclusive autonomous school, built on partnerships with families, educators, and community members. We celebrate the joy of learning by fostering creativity and curiosity while nurturing the individual genius in every child. Students find joy in learning through multiple, diverse experiences. Academically, we use a tiered system of support to address the academic and behavioral needs of each student. We continually monitor students’ academic progress and thoughtfully plan accordingly.

Special Features:
- A pilot school offering a comprehensive program with high quality instruction and support
- Inclusive community of learners
- Weekly specials include Taekwondo, Dance, Art, Physical Education, Music, and Science.
- Classroom teachers and paraprofessionals offer home visits at the beginning of the school year to build strong home-school connections
- Partnership with Children’s Services of Roxbury for school based counseling
- Partnership with Playworks to help kids stay active and build valuable life skills through play
- Outdoor classroom and gardening beds used year round

Before and after school programs:
- Before and after school programs available

English Learner programs:
- ESL in General Education.

Special Education programs:
- Full Inclusion classrooms in all grades (General education, Special Education, and English Learners integrated into the same classroom).

K-8 Pathway: Guaranteed assignment for grade 4 to Young Achievers.

The Mary Lyon K-8 School believes that all students can learn and are entitled to a high-quality education. We are committed to being an inclusive, welcoming school which strives to promote academic, social, and emotional growth. Through innovative thinking, continual reflection on our practice, and dedication to ensuring that every student has access to the curriculum, we will seek to create rich learning experiences which develop the whole child. Every student will have access to standards-aligned, equitable literacy instruction which affirms and cultivates their cultural identities and enables them to be critical participants in their learning.

**Special Features:**

- Full inclusion model.
- Before School Program
- Small class size
- Highly qualified staff. All teachers hold Masters’ degrees and all are dually certified in regular and special education
- Specialists in music, art, and physical education
- Engaged School Site Council and Parent Council

Our mission is to create a school in which every student is safe, welcome and appreciated, a school in which an excellent education is possible and expected. To accomplish this, we work to create an environment in which students are able to bring their best selves, where they are empowered to navigate the impact of the dominant narrative and thereby create a counter-narrative for themselves that they can use to be academically successful, socially and emotionally healthy and able to positively contribute to our communities now and in the future.

**Special Features:**

- Instructional Focus on Higher Order Thinking Skills.
- Inclusion program to support all students
- Positive school culture nurtured by CASEL framework
- Art, Music and Movement, Yoga, PE, Science and Library
- Occupational and speech therapy
- Active parent participation as volunteers, fundraisers, and members of the School Parent and School Site Councils
- Individual parent conferences

**Before and after school programs:**

- Fee-based before school program begins at 8:00 am and includes arts & crafts, chess and lego club and outdoor activities.
- Fee-based after school program run by the YMCA. Activities include arts & crafts, chess and lego club and outdoor activities.

**English Learner programs:**

- ESL in General Education

**Special Education programs:**

- Early Childhood integrated K0-K1 classroom; K2-grade 5 are inclusion classes with extra support.

At the Mildred Avenue, we focus on developing the whole child. We partner with our families to support our learners in the classroom and in life. We provide instruction in vocal music, visual arts, physical education, swimming, theatre, and dance.

Special Features:
- Awarded the 2017-2018 Citywide School On The Move Prize.
- First school to earn Level 1 status in Mattapan
- Recognized as the Boston Partners Celebration School in 2018-2019
- A state-of-the-art facility with a dance studio, theatre, pool, science and computer labs, art studio, library, athletic fields and playground.
- Smaller adult-to-student ratio in Math and ELA (multiple adults in most classrooms)
- Frequent field trips and experiential learning opportunities
- Direct connection to the Mildred Avenue Community Center, which provides additional after-school and Saturday opportunities

English Learner programs:
- SEI-Multilingual (6-8)
- SLIFE-Spanish (3-5)
- ESL in General Education

Special Education programs:
- Small class sizes with additional staff members in each classroom, counseling and itinerant services available on site, and inclusion opportunities

After school programs:
- Programs until 5:00 p.m. Lower elementary programming provided by the Mildred Avenue Community Center and PACE (Monday-Friday).
- Upper elementary programming provided by City Year (Monday-Thursday).
- Middle school programming led by Mildred teachers and features many community partners. (Monday-Thursday).

Grade configurations for the 2022-2023 school year are subject to change as part of Build BPS. Please visit www.bostonpublicschools.org/buildbps for updated information.
ACC is a college preparatory high school for highly motivated students who want to attend four-year colleges or universities. We are a small pilot school with rigorous academic standards as well as a caring and energetic staff who fully support students and give them the individual attention they deserve. All of our students participate in college readiness activities and have a weekly advisory with their guidance counselor.

**Special Features**
- A pilot school and small school of 250 students, with personalized academic support.
- Excellent college admissions record: College acceptance is a graduation requirement.
- Caring, energetic staff (including five Boston Teachers of the Year).
- Major focus on analytical reading and writing skills.
- Close personal contact with parents.
- Opportunity for seniors to take college classes for credit.
- School partners: Harvard University, BUILD entrepreneurship program, UMASS Writing Center.
- National Honors Society, Social Justice, Service Learning, and Debate Program.
- Weekly school wide SEL Advisory and AP Classes.
- Visual arts electives offered for grades 9-12.
- Robotics and Engineering: electives and team.
- Rigorous college preparatory curriculum.
- High level of support from faculty.
- Major focus: analytical reading and writing.
- More reading assigned than most other high schools.
- More writing assigned than most other high schools.
- After school homework help available until 5 p.m.
- College exploration at every grade level.

**English Learner programs**
- ESL in General Education.

Boston Adult Technical Academy is an alternative high school for mature, motivated, young adults between the ages of 19-22. We are a community that values diversity, self-empowerment, accountability, and flexibility providing students with meaningful post-secondary opportunities. When our students leave here, we expect that they have learned confidence, language proficiency, and post-secondary skills so they can be confident leaders in their community and realize their goals.

**Special Features**
- An alternative High School for older students, ages 19–22.
- Grants a Boston Public High School diploma.
- Academic program in English language arts, math, science, and humanities.
- Computers in classrooms.
- Credit Recovery programs.
- Dual enrollment option in a Community College.
- Career Exploration program.
- Graduation Coaches.
- College and post secondary application assistance.
- Multi-lingual, ethnically diverse students.
- College and career post-secondary preparation.

**English Learner programs**
- SEI-Multilingual
- ESL in General Education.

**Special Admission Process**
- Students 19 years old must contact the school for an interview.
- Students 20-21.5 years old are automatically assigned once registered with the Boston Public Schools.

Boston Community Leadership Academy/McCormack (7-12)

7-9: 315 Mt. Vernon Street, Dorchester 02125
10-12: 655 Metropolitan Avenue, Hyde Park 02136 | 617-635-8937
Ondrea Johnston, Head of School
7-9: 617-635-8657 • 10-12: 617-635-8937 • bclaboston.net

BCLA-McCormack, 7-12 Pilot, offers a college-preparatory course of studies that is designed to promote the leadership capacity of students to be change agents in their communities. Its commitment to community advocacy enables BCLA-McCormack students to develop crucial academic, leadership, and community service skills.

Our school’s focus is to create an antiracist learning environment that is responsive to our community, nurtures personalized and authentic educational experiences and develops social-emotional competencies and purpose toward all students’ futures.

Special Features
- A 7-12 pilot school with a college preparatory course of studies, leadership focus, and community action and service mission.
- BCLA-McCormack provides academic opportunities for students in our AP, MDC, PATH, SAR, SEI, SLIFE, and TLC Programs.
- Academic requirements for students include exhibitions, portfolio presentations, community service learning, and a Senior Capstone Project.
- BCLA-McCormack provides AP courses in English Language and Composition, Literature, Spanish, Calculus, and Statistics.
- Dual enrollment opportunities at UMass Boston, Benjamin Franklin Institute of Boston, Roxbury Community College, and Bunker Hill Community College.
- MCAS Tutoring Program provided in partnership with Boston Partners in Education.
- Students receiving special education services are provided with learning experiences in an inclusionary setting.
- We Partner with AIM High, Mass Insight, Tenacity, PIC, A-List, ACE, Facing History and Ourselves, and 3 Point Foundation to provide co-curricular experiences for students.
- BCLA-McCormack students participate in Varsity and JV athletic programs in partnership with New Mission High School, Another Course to College, and Excel High School.
- BCLA has been recognized by U.S. News and World Report in its list of America’s Best High Schools.
- In 2018, Boston Community Leadership Academy was the Pozen Prize first finalist winner for school innovation.

Boston International Newcomers Academy
100 Maxwell St., Dorchester 02124
Tony King, Head of School
617-635-9373 • bihs@bostonpublicschools.org

Boston International Newcomers Academy (BINcA) is specially designed and staffed to serve a diverse immigrant student community for college and career.

Vision statement: “We prepare our students to be empowered, contributing citizens in a global society through a journey of discovery and wonder. Our school community reflects the core values of advocacy, community, diversity and high expectations. We are a center of excellence in the education of English learners and a resource to others committed to this work.”

Special Features
• High achieving, 100 percent EL school with 100 percent immigrant student population.
• Many of our teachers and staff members are immigrants themselves and serve as role models for our students.
• BINcA students get help finding part time jobs with a PIC Career Specialist who helps students find summer jobs and school year employment.
• BINcA has modern technology with a computer lab, computer carts, and technology used as a part of daily instruction.
• College application support.
• Well-rounded athletics programs.
• SAT preparation for 11th graders.
• Intensive ESL/ELA program for all students.
• Students represent over 25 countries.
• After school academic classes.
• Career and college counseling.
• Summer enrichment program.
• Strong student and family support program.

English Learner programs
• SEI-Multilingual
• ESL in General Education.

Special Admission Process
• Students are assigned based on results of an English language placement test. Please call the Newcomers Assessment & Counseling Center at 617-635-9010 about scheduling a test.

Charlestown High School
240 Medford St., Charlestown 02129
Joel Stembridge, Head of School
617-635-9914 • charlestownhs.org

We are an inspiring and diverse school that welcomes all students. Our Early College and dual-enrollment programs allow students to earn free college credits. Small Learning Communities ensure all students are supported and extra-curricular opportunities provide something for everyone. We believe in high expectations and high support.

Our focus is student voice with high expectations and high support. We have Early College Pathways - in Business, Technology, and Health. Students can start earning college credit in 10th grade. The Pathways are rigorous, hands-on programs featuring academic coursework, career exploration, internships, and mentoring.

Special Features
• SEI, Middle School, Special Education, Pathways program, dual-enrollment, music, theatre, art, athletics
• Early College and Career Pathways Programs in Information Technology, Business, and Health in collaboration with Bunker Hill Community College
• Dual-enrollment courses at Cambridge College for English learners
• Small Learning Communities create a “small school feel” inside the larger school and provide individualized support to students and families.
• Electives focused around the visual and performing arts, including Band, Chorus, Dance, Theatre, and Visual Arts.
• Strong college partnerships; a focus on preparation for higher education and a strong record of acceptance at four-year colleges and universities.
• 13 interscholastic athletic teams available to all students interested, opportunity to use the fitness center to workout.
• Advanced Placement Courses and exciting courses like Arabic and Engineering
• “The Road to Success” program for over-age and under-credited students so they can graduate on time and find postsecondary success
• Partnerships with Boston Private Industry Council and with local employers to provide opportunities for career exploration, job shadows, and internships
• Many after school programs, clubs, and special activities—everything from our Honor Roll Boys & Girls Group to Debate, to our LGBTQ+ Club
• Extensive support for English Learners (SEI) both in class and outside of common learning time including partners such as Sociedad Latina and Asian American Student Success Program at UMass Boston.

English Learner programs
• SEI-Chinese
• SEI-Spanish
• SLIFE-Spanish
• ESL in General Education.

Community Academy
25 Glen Road, Jamaica Plain 02130
Sonie Felix, Head of School
617-635-7734 • bostonpublicschools.org/school/community-academy

A small alternative high school in Jamaica Plain, we serve students who have not thrived in traditional settings. Our ratio of 15 students per teacher allows all students personal academic and social support. The small size creates a strong sense of community and allows parents to be active in their children’s education. Emphasis is on academic excellence, as reflected in rising MCAS scores, time dedicated to individual tutoring, and the variety of college prep courses offered. We support non-traditional students by offering a credit recovery online program.

We focus on preparing students for success in school, life and their career. We have a transient student population, so we emphasize academic excellence while using supplemental materials so that all students can access grade level material.

Special Features
- A small, alternative high school that serves students who do not thrive in a traditional classroom setting
- Special admissions process: students must either be assigned through the Educational Options Department or get special approval from the Headmaster to apply
- Very small classes, we average 15 students or less
- Before and after school tutoring
- Individual advisors for each student
- College counseling
- College and MCAS prep classes
- A focus on hands-on learning
- Field trips, which include going to local colleges and college fairs

CASH is a small, college-prep high school. Our mission is to prepare students from diverse backgrounds to pursue advanced studies and careers in the fields of science and health. The student’s voice is critical in the development, implementation, and review of our practices. Community partners offer internships and career opportunities. CASH’s diverse population provides an infusion of well-prepared, multilingual young adults into the fields of science and health. Courses offered by CASH and partnering universities support academic rigor to prepare students to exceed the standards.

Special Features
- Highly qualified staff committed to all students learning at higher levels.
- Pathways to Prosperity dual enrollment/early college access program, internships and school-to-career opportunities.
- School-based college fairs and visits to local colleges that emphasize science and health careers paths.
- Model UN, buildOn, BUILD, Med Science Program with Harvard University.
- Tech Goes Home: students and parents take computer classes together and receive a no-interest loan to buy a computer.
- 55-minute instructional blocks in all subjects.
- 6 Advanced Placement courses.
- Many “extras” including health and wellness seminars, athletic programs, extracurricular activities, and extended day academic enrichment.
- Support from school and community support coordinators.
- Boston University Upward Bound Program.
- Expectation: Academic Excellence.
- AVID Program.
- Sankofa Program for at-risk males.

Dearborn STEM 6-12 Early College Academy
36 Winthrop St., Roxbury 02119
Darlene Marcano, Head of School
617-635-8412 • bpe.org/dearborn-stem-academy

The Dearborn serves nearly 600 students in a brand new, state-of-the-art STEM facility. The school has been thoughtfully designed for 21st century student learning. It will feature flexible spaces for collaboration among students and adults and – as a state of the art STEM building – a high capacity for the use of technology.

Special Features
- STEM Approach: All students will develop a basic understanding of the language, concepts, and ideas that are pervasive across all STEM fields; graduate with a robust awareness of STEM disciplines, jobs and career paths; and identify their STEM interests and identities.
- Computer Science in every grade; all Dearborn students learn to code.
- Curriculum that is hands-on, team oriented, rooted in problem solving, and modeled after professional work projects and tasks.
- Individualized learning plans for every student.
- Students graduate with a career plan that takes them to the right post-secondary education/training option and to the profession of their choice.
- College exploration and preparation, with dedicated guidance counselors, college visits, college fairs, panels with college students, and more.
- Internships, workplace learning and summer job opportunities for high school students.
- 60 minutes of extended learning time every day, two-hour block of after-school time is designated for academic support and enrichment for students who need or want it.
- Girls and boys high school soccer at Jeremiah Burke Track and Field.
- BUILD Boston, Robotics club, Peer Health Exchange, Discovering Justice, and Boxing club.
- Full-time art teacher and full-time music teacher.
- Library staffed by a full-time librarian.

English Learner programs
- SEI-Cabo Verdean Creole
- SLIFE-Cabo Verdean Creole
- ESL in General Education.

We are a PULSE supported site, providing after school tutoring for freshmen. We are an AVID (Advancement Via Individual Determination) School, providing supports to students who may be below honor roll but have their sights set on college. Our students have participated in the Wheelock College Upward Bound, the Harvard Crimson Summer Academy, and the Dartmouth SEAD (Summer Enrichment at Dartmouth) program. We also offer a SAT Prep program with a college readiness component, Teen’s Connect Program with a career readiness component, and the Boston Scholar Athlete Program (BSA), a student-athlete advisory and support center.

**Special Features**
- 40 mobile computer labs.
- Library/Media Center with 25 computers.
- Advanced Placement and honors courses.
- Electives in Academy of Management, Academy of Health/Human Services, Media, Visual Arts, Chorus, and JROTC.
- School-wide focus on literacy.
- Credit recovery program supports grades 11 and 12 students who need classes to meet the local requirements to graduate on time.
- Accredited by the New England Association of Schools & Colleges (NEASC).
- Our Grade 9 Academy provides extra supports and tutoring through on-site resources and outside agencies.
- Academic Awards Ceremonies (by term) and Annual Scholarship and Awards Banquet.
- On-site Parent Involvement Center to help parents understand the school’s curriculum, policies, and assessments.
- MCAS, PSAT, and SAT tutoring, plus extra support for students in grades 11 and 12 who have not yet passed MCAS, including before and after school tutoring and a staff mentor.

Henderson K-12 Inclusion School
Lower Campus, K0-Grade 1: 1669 Dorchester Avenue, Dorchester 02122
Upper School, grades 2-12: 18 Croftland St., Dorchester 02124
Patricia Lampron, Principal
617-635-6365 • bostonpublicschools.org/henderson

Our mission is to serve students of all abilities in an inclusive setting that offers meaningful access to a rigorous and well rounded curriculum. We collaborate and problem solve to ensure that all students learn and succeed at high levels. We integrate the fine and performing arts into students’ learning so that all students can learn to their greatest potential. All students receive high-quality and rigorous instruction in English language arts, math, and science. We engage our learners to create a life-long love of learning.

Special Features
• Boston’s only fully inclusive K-12 school.
• Arts integration for every student three times per week.
• High student achievement and growth in math and ELA
• Inclusive: students of all abilities learn together.
• 2 teachers in every classroom.
• Outdoor classroom.
• Sensory motor room.
• Fully accessible.
• Full-time visual art, movement, and music teachers.
• Inclusive before and after school program.
• Rigorous curriculum.
• We monitor student progress every 6 weeks and create action plans to ensure success for every student.
• Co-teaching in all core content classes.
• Therapies provided in the natural setting of the classroom.

English Learner programs
• ESL in General Education

Uniform Policy
• Mandatory for K-10 students: Blue, white or khaki shirt, jumper, pants or shorts. Friday is dress down day.

College Success

*The above accountability and SQF information represent determinations from 2019.
The Mary Lyon Upper (7-12) is committed to provide a fully inclusive learning environment where conditions are changed or created to enable general education students and students with EBD to maximize their potential. We endeavor to support all students so that they are able meet or exceed the academic standards, and develop skills to be competent in their everyday life.

The instructional practice at the Mary Lyon Upper School (7-12) is to educate each student as a unique individual ready to meet the challenges of an increasingly diverse and global community. Staff, students, and families work collaboratively to provide the necessary support for academic, social, and emotional growth. Our students learn strategies to solve problems individually and as members of a team. We promote active citizenship through volunteerism, internship programs, and community events.

Special Features
- Full inclusive education
- Small class size
- Strong advisory
- College preparatory curriculum
- Use of SMART Board as regular instructional tool
- Competency-based education and grading. Use of Jump Rope software to capture progress toward mastery.
- Highly qualified teachers: All teachers hold Masters’ degrees and are dually licensed in content area and special education
- Use of Yondr pouch to enable students to self-monitor usage of cell phones

English Learner programs
- ESL in General Education.

The Margarita Muñiz Academy is Boston Public School’s first dual-language high school. We implement a college preparatory, culturally relevant two-way bilingual curriculum that provides students with the 21st-century skills necessary for success in higher education and beyond. The Muñiz Academy has three critical platforms for dual language: expeditionary learning, the arts, and technology. Our collective work as a community is grounded in the shared values of diversity, inclusion, community, citizenship, scholarship, and creativity.

Special Features
- Boston’s only two-way bilingual high school
- Challenging, culturally relevant curriculum in an experiential learning model
- Focused on college and career preparation for all students
- College and career pathways with off campus partnerships and colleges
- Recognized Debate League leader in English and Spanish
- Grammy Winning Music Program
- Arts programming includes music, visual art, media arts, dance and theater
- Freshman orientation includes community camping trip
- College visits for every grade
- Senior Internships with business and community partners
- Student placements in Boston University Upward Bound, Summer Search, Minds Matter, Bridge to Calculus, and Umass TAG.

English Learner programs
- Dual Language-Spanish.

The Muriel S. Snowden International School is a multi-cultural, multilingual, International Baccalaureate World School with a demanding college preparatory curriculum and a focus on global studies. Snowden has additional graduation requirements including: four years of the same language (Japanese, Mandarin, Spanish, or French), Community Action Service, a senior research paper, and studies in International Relations. Students must earn a minimum grade of a C- in order to pass each course.

Special Features
• Global learning through student opportunities to travel and study internationally.
• Students can enroll in the challenging International Baccalaureate diploma program in grade 11 and 12. Students who pass all course work in this rigorous two-year program are awarded an IB diploma in addition to their Boston diploma. IB World Schools are found in six continents; the IB diploma is recognized by over 850 colleges and universities.
• International studies focus for all students.
• Requires 4 years of world language study, history, science and math.
• Requires community service hours.
• Promotes responsibility via open campus (classes held in three buildings).
• Promotes inquiry, critical thinking, risk-taking, inter-cultural understanding and respect.
• Many opportunities to engage families, including two parent-teacher conferences each year.
• After school support through Calderwood Writing Center and college tutors.
• First BPS school to graduate a IB Diploma earner.
• School Based Health Center.

English Learner programs
• ESL in General Education.

TechBoston Academy (TBA) was founded in 2002 with the support of the Bill and Melinda Gates Foundation. TBA offers a college preparatory curriculum where technology is the bridge that connects the student to their learning experience. All students are given access to technology in their classes. Students benefit from honors classes, Advanced Placement classes and dual enrollment opportunities at local colleges. TechBoston Academy offers an extended day program that allows all students access to academic supports and extra-curricular activities.

**Special Features**
- Pilot 6-12 school with 1,000 students, offering a college preparatory curriculum with technology focus and interdisciplinary, project-based learning
- Extended day program for all students that provide various academic supports
- Winner of many awards and recognitions, including Model Secondary School and Innovative High School awards from the Gates Foundation
- Full sports program and after-school activities for all grades
- Personalized learning and tutoring with teachers
- Summer enrichment opportunities
- Inclusion program for students with disabilities
- College Center on site
- Technology used as the bridge to learning in all classrooms.
- Honors and Advanced Placement (AP) courses and dual enrollment opportunities
- Advanced technology courses, including digital art, Adobe graphic design applications, computer programming, and Robotics
- School partners: CityYear, Harlem Lacrosse, BAM, Hayden Foundation, 3point Foundation, Timothy Smith Network, Crossroads Leadership, 826 Boston, CAST Universal Design for Learning Studio, Dorchester YMCA, Sociedad Latina, Edvestors, LearnLaunch

Boston Arts Academy
11 Charles St., Dorchester 02122
Anne Clark, Head of School
617-635-6470 • bostonartsacademy.org

Boston Arts Academy (BAA) is Boston’s only public high school for the visual and performing arts. Our mission is to prepare a diverse community of aspiring artist-scholars-citizens to be successful in their college or professional careers, and to be engaged members of their communities.

BAA focuses on a curriculum that includes college preparation, job readiness, and preparation for artistic study and/or employment. As part of its curricula there are several programs with a vocational focus, some of which are chapter 74 certified.

Special Features
• *New to school year 2022-2023* BAA will be housed in a new state-of-the-art five story facility in Fenway, encompassing 153,500 square feet and increasing capacity for the school by more than 15 percent. The new facility provides better rehearsal studios, high-tech fashion and fine art studios, gymnasium, dance studios, a cutting edge STEAM lab, a rooftop recital hall, and professional theatres.
• A collaborative project of BPS and the ProArts Consortium: Berklee College of Music, Boston Conservatory at Berklee, Boston Architectural College, Emerson College, Massachusetts College of Art and Design, New England Conservatory, and the School of the Museum of Fine Arts at Tufts University.
• High-level training for students in dance, music, theatre, or visual arts and design in the context of a college preparatory curriculum.
• Individualized attention for each student by our experienced, award-winning staff.
• Tech Theatre/VA internships at local companies available.
• Success after graduation: Annually, an average of 98% of graduates accepted to college
• BAA is the first Boston Public School named an inclusion high school, offering comprehensive services to students with identified learning needs of all kinds.
• Dual enrollment available in Pro Arts colleges and local community colleges.
• Summer arts scholarships available.
• Partnerships with ProArts and other institutions that provide resources and opportunities for our students.

English Learner programs
• ESL in General Education.

Special Admission Process
• See detailed information about our admissions process and audition application due on January 21, 2022 at bostonartsacademy.org/admissions. Application available online: bostonartsacademy.org/admissions/application.
• The admissions process is designed to give all students the opportunity to demonstrate their ability, potential, and commitment. All interested students at all levels are encouraged to apply. BAA welcomes applicants from all backgrounds and does not discriminate on the basis of race, color, sex, sexual orientation, gender identity or expression, religion, national and ethnic origin, English language proficiency, age or disability in any of its educational programs, admission practices, and activities.

*The above accountability and SQF information represent determinations from 2019.*
BDEA is a student-centered, competency-based public charter high school. It serves any BPS student who is over-age for high school, who has had trouble with attendance issues, has been held back in eighth grade, who feels they are not getting the attention in class that they need to succeed, or who has dropped out but wants to return to school to earn their diploma. We offer three distinct programs: BDEA Flagship, BDEA 2.0, BDEA Blended Learning.

BDEA engages young adults to build a vision for their future through supportive relationships and meaningful competency-based learning experiences.

Special Features
- A Horace Mann Charter School serving 440 students in three distinct programs: BDEA Flagship, BDEA 2.0 (project-based with paid internships) and BDEA Blended Learning (mixture of online and in person).
- Personalized attention for all students, with supportive academic and enrichment programming, small student-teacher ratios, full time student support services, and counseling.
- Vibrant atmosphere for students who have not experienced success in other schools: Students progress at their own pace and earn a diploma when they have demonstrated competency.
- BDEA 2.0 designed for students who need more hands-on learning and explore post-secondary plans through paid internships. BDEA Blended Learning for students who need a more flexible schedule and do most of their learning online.
- College and career courses (Internship, enrichment program, dual enrollment) offered throughout the week.
- Support for strong home-school connections through advisory and student support team.
- Emphasis on student agency, including taking responsibility for their own education and personal growth.
- A Post Graduate Planning Center that involves students at enrollment in planning for life after high school. Every BDEA graduate, graduates with a post-secondary plan.
- Strong partnerships with arts and community organizations that help support student learning and Habits of Success.
- Whole-school focus on strong relationships and listening to student “voice.”
- Supportive, trauma-sensitive, respectful, welcoming, non-judgmental, joyful culture and climate.

English Learner programs
- ESL in General Education.

Special Admission Process
- Year-round admission: Call 617-635-6789 or 857-269-6962. Visit www.bdea.com or visit the school to complete our short application.
- Students must be Boston residents.

*The above accountability and SQF information represent determinations from 2019.
Founded in 2011, Boston Green Academy is one of the most improved schools in Boston Public Schools and in all of Massachusetts. We are committed to providing students with a demanding, relevant curriculum, leadership experiences, and college and career exposure. We prepare them to tackle environmental, social, and economic issues through hands-on, student-centered learning experiences. We welcome students of all abilities; 30% of students have special needs and 14% are English Language Learners. In the last five years, we have increased the graduation rate from 55% to 90% and the college-going rate from 44% to 88%. Boston Green Academy welcomes diverse students of all abilities, educates and empowers them to succeed in college and career, and prepares them to lead in the sustainability of our community and world.

Special Features

- A Horace Mann Charter School, part of the Boston Public Schools while also having more freedom and accountability for results
- We prepare students to tackle environmental, social, and economic issues through hands-on, student-centered learning experiences: Project Week, Outdoor Learning Experiences, Student Exhibitions.
- Green theme woven through all courses
- Science courses including Physics, Biology, Chemistry and AP Environmental Science, as well as internships and projects
- Humanities courses that combine literacy and social studies
- At least four AP course available and also dual enrollment with local colleges
- Environmental Science career and technical education program starting in 9th grade resulting in employment certifications
- Arts, sports, and entrepreneurship and SAT Tutoring with the Boston Scholar Athletes the Zone.
- Clubs, SAT preparation, student government, sports, internships, and after-school tutoring
- Full 6-12 school so students and families experience fewer transitions

English Learner programs

- ESL in General Education.

Special Admission Process

- Enrollment by lottery; Boston students are eligible to apply for grades 6-12
- Applications are due February 18, 2022 at 4:00 pm. The lottery is held on March 2, 2022 at 4:00 pm.
- More information and application forms: www.bostongreenacademy.org
- To apply, fill out the application at bostongreenacademy.org/apply.

Boston Latin Academy has a 135 year history of academic excellence with an outstanding rate of college placement. Our student body represents Boston’s rich multicultural, multi-ethnic population and dedicated administrators and faculty who challenge and encourage students. We are proud to have a supportive Alumni Association and an active and supportive Parents Council. BLA students, their parents, and the faculty share a commitment to excellence. Our curriculum has been developed to ensure that all students are well prepared for success in college and life. We seek to challenge our students with a rigorous curriculum while, at the same time, providing them with the scaffolds to succeed.

All students will be prepared for high stakes testing, higher education and career opportunities in an equity-oriented environment that affirms and supports all aspects of students’ identities.

Special Features
- Tradition of excellence and exclusivity since 1878
- High standards of academic rigor in a nurturing and caring environment.
- National Blue Ribbon School of Excellence
- Named an Outstanding American High School by U.S. News and World Report
- Examination school: Admission to grades 7 and 9
- Outstanding record of college placement
- Honors and Advanced Placement courses in all subject areas
- Dedicated faculty who challenge and encourage students to do their best work
- Active participant in the state and national Junior Classical League
- Exemplary peer tutoring program
- Wide selection of sports and after-school clubs and organizations
- Partnership with IBM

English Learner programs
- ESL in General Education.

Special Admission Process
- Admission is based entirely on a student’s grades and test scores. Please visit bostonpublicschools.org/exam for details on how to register.
- Examination school: admission to grades 7 and 9.

*The above accountability and SQF information represent determinations from 2019.
Boston Latin School, founded in 1635, is the oldest school in the United States. BLS serves an economically and culturally diverse population of students in grades 7 to 12 through a selective admissions process for the three exam schools in the city. Boston Latin School seeks to ground its students in a contemporary classical education as preparation for successful college studies, responsible and engaged citizenship, and a rewarding life.

A rigorous college preparatory education, with supports for students. The school supplements academics with robust arts programming, 60+ athletic teams, 100+ student-run clubs, numerous extra-curricular activities, and wide-ranging leadership, travel, and community service opportunities.

Special Features
- Students graduate with four years of Latin, four years of a modern language, and access to a choice of 27 Advanced Placement courses offered over the sophomore, junior, and senior years.
- Serving an economically and culturally diverse population of over 2,400 students
- #1 public high school in New England as recognized by US News and World Report (2021)
- Challenging all-honors curriculum with extensive electives across disciplines, including opportunities for student-led research
- Over 97% of our students matriculate to 4-year colleges and report feeling prepared for the demands of university study
- School-based supports for students at all levels, including social workers, a school psychologist, and a strong partnership with Children’s Hospital to assist students with emotional and social issues, and provide support for families and staff
- Instrumental music and chorus offered during the school day at all grade levels
- Extraordinary, robust arts programming in and out of school: Over half of student body participate in extensive choral and instrumental music or visual arts offerings
- Small Learning Communities for grade 7 and grade 8
- 30+ sports, including crew, fencing, lacrosse, wrestling, and sailing

English Learner programs
- ESL in General Education.

Special Admission Process
- Admission is based on an exam administered in November to grade 6 and 8 students and by report card grades in multiple subjects. For more information, please see www.bostonpublicschools.org/exam or contact Maria Vieira at mvieira@bostonpublicschools.org.

*The above accountability and SQF information represent determinations from 2019.
Our curriculum is designed to build students’ skills and knowledge through tackling problems and projects the way successful adults - scientists, business people, social workers, etc. - tackle them. To ensure we are also preparing students for standardized testing and college admissions, we align our curriculum to the Common Core and standards set by national math and science organizations.

**Special Features**
- A national reputation and many awards for innovation and excellence.
- A diverse, respectful, community-spirited student/faculty population.
- An established set of teaching practices and school structures based on three core principles: intellectual challenge, personalized relationships, and collaborations with outside organizations.
- Proven academic success without academic admission requirements.
- Extensive use of portfolios, projects, and exhibitions.
- Ventures program, six-week internship program for all seniors.
- Recognized for success with young men of color and Latino students.
- Diverse, respectful, community-spirited students and faculty.
- Student group advisories: students form strong bonds with staff and classmates over four years together.
- SEI for Spanish speaking students.
- Recognized by the U. S. Department of Education as a Blue Ribbon School.
- School Dual Enrollment with Emmanuel College, Wentworth Institute, and Fisher College.
- Strong advisory and student support.
- Project Week - week studying outside of the classroom.
- Ventures program and senior internships.
- 90% of graduates enroll in college.
- Technology Goes Home program for families.

New Mission is a college preparatory school of 550 students and a dedicated faculty. We are the “exam school without the exam.” Our “Advanced Placement for All” strategy prepares all of our graduates for 4-year colleges. We offer AP courses, portfolio presentations, and a personalized college process to assist you in getting into your college of choice.

New Mission High School empowers all students to become college graduates who do well in the world and do well for the world.

Special Features

- A school community focused on empowering our students to become self-directed, life-long learners.
- New Early College Pathway Program in partnership with Wentworth Institute of Technology, with course sequences in Engineering, Computer Science, and Health, where students attend on-site labs at Harvard MedScience. We also have a two-year sequence in Biotechnology with professional field trips to local biotech companies and to Tufts Launchpad BioLabs, along with internships.
- Average class size: 25 students.
- College Access Courses: Students demonstrate their commitment to learning, habits of mind, and essential skills during Advisory and through portfolio presentations two times per year.
- Academic support: After-school Homework Academy, offering one-on-one help with teachers and tutors and City Year partnership provides individualized support.
- Electives such as African American History, Senior Defense, Criminal Justice, MCAS prep, and Creative Writing that provide opportunities to develop math and writing skills.
- Offer personalized instructional delivery models to students with disabilities including but not limited to inclusion.
- Individual student advisors, who carefully monitor the challenges and progress of each student and communicate directly with families.
- Senior defense, community service, and senior internship required for graduation.
- Dual-enrollment college courses offered through Benjamin Franklin Institute, Bunker Hill CC, Mass Art, RCC, Wentworth Institute, Wheelock College.

English Learner programs

- ESL in General Education.

Special Education programs

- Full inclusion for students with special needs.

Special Admission Process

- Timeline is aligned to BPS Round 1 deadline. New Mission has an application process that can be initiated online (www.newmissionhigh.org) or via paper document. Once an application has been delivered, students are entered into a lottery and will be notified of their application status via BPS.

The Carter School
396 Northampton St., Boston 02118
Mark O’Connor, Principal
617-635-9832 • williamecarterschool.org

Our students who exhibit severe/profound cognitive delay, physical handicaps, and complex medical conditions, require total personal care. At the Carter school, we implement a Transdisciplinary Model where teachers/therapists work on learning objectives together. Our school community is representative of many races and cultures. Our Outdoor Classroom Sensory Healing Garden adds to learning space, providing access to green activities and outdoor physical movement for our students.

Special Features
• Individualized, intensive special education program with a 5:3 student-to-staff ratio.
• Bilingual social worker and family liaison.
• Two full-time nurses.
• Transdisciplinary team approach.
• Available on-site therapies: physical therapy, occupational therapy, communication, behavior, vision, creative arts, and adaptive physical education.
• Aquatic therapy at Massachusetts Hospital School.
• Outdoor learning and recreation in our beautiful Sensory Garden, with wheelchair-accessible pathways and water features.
• Community experiences: Symphony, prom, Holiday Stroll.
• Motorized ceiling lifts, physical therapy equipment.
• Centrally located behind Northeastern University at the Mass. Ave. Orange Line station.
