Release of Student Directory Information

The district may release student "directory information" without written consent unless you have indicated by checking the box below that you do not want the information released. Directory information is information that is generally not considered harmful or an invasion of privacy if released. Its primary purpose is to allow the district to include this type of information in certain school publications, such as a yearbook, newsletter, playbill, or honor roll. Directory information includes the following: student's name, age, class or grade, and dates of enrollment.

Unless you indicate otherwise, the district may release directory information under limited circumstances. The district reserves the right to withhold any information if the district believes it is in the best interest of our students. However, the district will disclose information as required by law.

Please check the box below if you do not wish the district to release your student's directory information.

- I DO NOT want my child's directory information released. By selecting this option, I understand that my child's name and/or photograph will NOT be included in the yearbook, newsletters, programs, and other district and school publications. Directory information will NOT be released to partner organizations who may provide services to students.

Acceptable Use Policy for Technology, Including the Internet

- As the parent or guardian of this student, I have read the Acceptable Use Policy and have discussed it with my child. I understand that computer access is provided in Boston Public Schools for educational purposes in keeping with the academic goals of BPS and that student use for any other purpose is inappropriate. I recognize that it is impossible for BPS to restrict access to all controversial materials, and I will not hold the school responsible for materials acquired on the school network. I understand that children's computer activities at home should be supervised as they can affect the academic environment at school. I hereby give permission for my child to use computer resources in the Boston Public Schools.
- I DO NOT give permission for my child to use computer resources, including Google Apps for Education, in the Boston Public Schools.

Parent Signature _____ Date _____

STUDENTS MUST SIGN THE STATEMENT BELOW REGARDING TECHNOLOGY USE:

As a Boston Public School student, I understand that using the school network and e-mail is a privilege, not a right. I understand that my school network and e-mail accounts are owned by BPS and are not private. BPS has the right to access my information at any time. I understand that BPS administrators will decide what conduct is inappropriate if such conduct is not specified in this agreement. I will use technology in a manner that complies with the laws of the United States and the Commonwealth of Massachusetts. I understand that I am to notify an adult immediately if I encounter material that violates appropriate use.

I understand and will abide by the Acceptable Use Policy. I will use BPS technology resources productively and responsibly for school-related purposes. I will not use any technology resource in such a way that would disrupt the activities of other users. I understand that the consequences of my actions could include possible loss of technology privileges and school disciplinary action as stated in the Code of Conduct and prosecution under state and federal law.

Boston Saves (for grades K2, 1, and 2)

Boston Saves is a program run by the City of Boston (EDIC) to help BPS families save for their children's future by providing each eligible student with a savings account that includes \$50 for college or career training. Participation in the program allows families to earn additional monetary incentives by saving in a designated account. Learn more and check eligibility at bostonsavesca.org.

If you do not want to participate in Boston Saves, please opt-out below to indicate that you do not allow BPS to share the following data with the Boston Saves program staff: student's name, birthdate, state unique student identification number (SASID), school, grade, and parent (legal guardian) contact information. I do not wish to participate.

- I DO NOT wish to participate.

Health Screening

As part of each student's school health record, the Boston Public Schools performs state-mandated screenings. Students are screened for height, weight, posture, vision, and hearing periodically from K1 to 10th grade.

Check the box below and sign if you DO NOT want BPS to screen your child.

I DO NOT give permission for the Boston Public Schools to screen my child for height, weight, posture, vision, and hearing.

Parent Signature _____ Date _____

All Massachusetts school districts are required to include a substance use preventive screening for students in 7th and 10th grade. The screening tool is called Screening, Brief Intervention, and Referral to Treatment (SBIRT) protocol. The SBIRT protocol facilitates a one-on-one conversation between each student and a school nurse or counselor in an effort to prevent or at least delay the start of using harmful substances, such as alcohol or marijuana. This program focuses on reinforcing healthy decisions and addressing concerning behaviors around substance use with the goal of improving health, safety, and success in school.

Check the box below and sign if you DO NOT want BPS to screen your child.

I DO NOT give permission for the Boston Public Schools to screen my child for substance use (SBIRT).
