Madison on the Move!

Dear Parents, We are happy to welcome you to the 2017-18 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child’s education.

We ask that you guide and engage in your child’s learning by ensuring that he/she:
1) Attends school daily and arrives on time at 7:30am. Students who are chronically absent will be provided school to home supportive services.
2) Completes all homework assignments
3) Access Student Information System SIS to monitor academic progress
4) Shares school experiences with you
5) Informs you if he/she needs additional support in any area or subject including attendance
6) Knows that you expect him/her to succeed in school and go on to college and or career.
