**NOTE:** Walk-in registration will only be offered at the ISEE make-up test on November 23, 2019 at Boston Latin Academy. However, to be eligible for walk-in registration, students must have completed the residency verification process (and the accommodation process, if needed).
The Exam School Admissions Process

The Boston Public Schools (BPS) has three exam schools – Boston Latin Academy, Boston Latin School, and the John D. O’Bryant School of Mathematics & Science. Eligible students must currently be in grade 6 to apply for grade 7, or grade 8 to apply for grade 9 at all three exam schools. Only the John D. O’Bryant School accepts applications from students currently in grade 9. Boston’s exam schools accept and support all types of learners.

Students who are interested in attending an exam school must complete an application process that includes taking the entrance exam, submission of grades, and ranking the schools in order of preference. Parents of students not currently enrolled in the BPS are also required to confirm Boston residency at a BPS Welcome Center.

There are a limited number of seats available in the exam schools. Students are chosen to attend based on their ISEE score (50%) and Grade Point Average (GPA) (50%). Please ensure the steps below are completed before the deadline to ensure the application will be considered. Each step is outlined in the next sections of this guide.

**Step 1:** Register for the ISEE

**Step 2:** Submit a request for testing accommodations (for students with disabilities or limited English proficiency)

**Step 3:** Confirm Boston Residency (for students not currently enrolled in the BPS)

**Step 4:** Take the ISEE

**Step 5:** Submit school choice ranking form and receive applicant grades

**Step 6:** Receive notification of admissions decision

If you have concerns about the test administration, please be sure to include a full description of your concern.
Step 1: Register for the Independent School Entrance Exam (ISEE)

Eligibility:
Students must be currently enrolled in grades 6, 8, or 9 to register for the ISEE. Students in grades 6 and 8 may apply for any of the three exam schools, but students in grade 9 may only apply for the John D. O’Bryant School of Mathematics & Science, as this is the only exam school that accepts new 10th grade students.

Boston Public Schools will offer the ISEE in November free of charge to Boston students.

*Students are eligible to sit for one entrance exam between August 1, 2019 and November 30, 2019.

Registration Deadline - September 20, 2019:
There are two ways to register for the November exams:

► Online: Submit a registration form on our website at www.bostonpublicschools.org/exam.

► Paper: The test registration form is included with this booklet and may be returned to your child’s current school. Registration packets are also available beginning the second week of September at all Boston area schools, BPS Welcome Centers, and all branches of the Boston Public Library.

Register for the November 7th in-school exam:
Current grade 6 BPS students interested in attending an exam school will have the opportunity to take the exam at their current school on Thursday, November 7, 2019.

Register for the November 9th exam:
The Saturday test administration will be offered at seven locations across Boston (current Boston residents only).

Register for the Sunday Test on November 10th:
Boston Public Schools will offer a Sunday test administration for students who cannot sit for the Saturday administration due to their religious beliefs. This special administration will be on Sunday, November 10, 2019 at Boston Latin School. To request a Sunday test for your child, please contact Exam School Admissions at exam@bostonpublicschools.org or 617-635-9512. Parents must still complete the ISEE registration form for the November 9th test date in order to receive a test ticket.

Register for a national test with the Educational Records Bureau:
Students applying to private and independent schools, as well as the Boston exam schools, are encouraged to register for a national

test administration of the ISEE. The base fee of $125 includes both the multiple choice exam and student essay component required by many independent schools, test scores received two weeks or less after the exam, and the option to send the score report to ERB member schools in addition to BPS.

Please visit www.iseetest.org or contact 1-800-446-0320 to register for a national exam. Families are responsible for the $125 fee and must schedule a test date on or before November 23, 2019.

ERB registers students on a rolling basis based on availability, therefore parents are encouraged to register early. To ensure that the BPS receives the ISEE score report, families must provide school code 888888 during the test registration process.

Step 2: Request Testing Accommodations for Students with Disabilities and English Language Learners

Eligibility:
Test accommodations are any modifications made to the exam or testing conditions that allow students with disabilities or limited English proficiency to fully participate in a testing situation.

Common accommodations include extending the amount of time students receive to complete the exam, and a small group of 10 or fewer students in the test room.

To request test accommodations based on a disability, the student must have an Individual Education Plan (IEP), 504 Plan, neuropsychological evaluation, or physician's letter documenting a medical/health concern that will impact testing.

To request the English Learner (EL) test accommodation based on limited English proficiency, students not currently enrolled in the BPS are required to take an English Proficiency Test provided by the BPS Newcomer Assessment Office to determine eligibility. Current Boston Public Schools students must have an English Language Development (ELD) level 1-5 to be eligible. The EL accommodation includes extended time and/or the use of a word-to-word bilingual dictionary.

Deadline:
Test accommodation requests for the Saturday, November 9th exam must be submitted by September 27, 2019 according to the process listed below. Accommodations for the in-school exam on November 7, 2019 (grade 6 BPS students only) will be coordinated by the child's current school.
Request Process for the Saturday, November 9th exam:
Submit a Request Form for Test Accommodations (see pages 9-10) to the Exam School Admissions Office for review. The request form is also available on our website www.bostonpublicschools.org/exam. It is the parent’s responsibility to initiate the request at the student’s current school and ensure the form is submitted with the required documentation.

Notification:
Students approved for test accommodations on the November 9th exam will receive written confirmation by mail at the home address. The letter will share the specific accommodations approved for the student and provide instructions if the student is allowed to bring in any items. The accommodations confirmation letter must be presented on test day along with the other required documents for entry.

If the accommodation request is denied, the Exam School Admissions Office will contact the parent directly.

Contact:
Please contact Maria Vieira at 617-635-9512 or exam@bostonpublicschools.org for more information regarding test accommodations on the November 9th exam.

Request Accommodations for a National Exam:
Students participating in a national exam with the Educational Records Bureau (ERB) are required to apply for test accommodations before scheduling a test date. Families must create an online parent account (www.iseetest.org) and should allow 3–4 weeks for the review process. Please contact 1-800-446-0320 for assistance with scheduling test accommodations for a national exam.

All students registered for the ISEE will receive a test ticket the week of the exam indicating the test center location and address.

Current grade 6 BPS students registered for the in-school exam will report to their current school on Thursday, November 7, 2019 during normal hours.

Students registered for the Saturday, November 9th exam will receive an ISEE test ticket from his/her current school.

If the student attends a school that is not listed on pages 21–22, is currently home-schooled, or part of the METCO program, the test ticket will be mailed to the home address.

What to Expect on Test Day, Saturday, November 9th:
Students should arrive at the test center by 8:00 am. There may be a line for check-in, so please be patient. Some families choose to arrive early; however, check-in will not begin before 8:00 am and students must wait outside. This is both a test administration and security requirement. BPS encourages students and family members to wear warm clothing and coats to protect from possible cold weather.

Once the students are seated in the testing room, the test takes about two hours and ten minutes; however, completion time will vary. Students approved to receive extended time as part of their accommodations can expect to test for an additional 60-90 minutes.
The Exam School Admissions Process

What to Bring on the Day of the Test:
All students must bring the following materials with them to the test site:
1. ISEE Test Ticket
2. One of the following forms of student identification:

   b. Green card with a recent photo of the child

   d. School ID (with or without a photo)
   e. Social Security Card
   f. Original birth certificate
   g. Progress report from the current school year

4. Five sharpened No. 2 pencils and an eraser

Testing Protocol:
To comply with the test administration and security procedures for ISEE, and provide the best possible testing environment, the rules and procedures for testing day are as follows:

a. The test administrator will give students all the instructions needed to take the exam.
b. Books, magazines, calculators and calculator or smart watches, timers, stopwatches, etc. will not be allowed in the test room.
c. Students may wear a regular watch to help keep time.
d. Parents/guardians are not allowed in the testing rooms and/or the test site building.
e. Food, snacks, and beverages are not allowed in the testing rooms.
f. Test administrators will invalidate the exam and dismiss any student who violates the expected rules of conduct including, but not limited to:
   • giving or receiving help on the exam
   • intentionally disturbing the classroom and other students
   • using notes, calculators, or other aids without approval
   • purposely working on the wrong section of the test

The Exam School Admissions Process

The Make-up Test:
The make-up test date is for students who were unable to attend the first scheduled test administration due to serious illness, injury, family crisis, or for those families who missed the registration period in September. Walk-in registration will be available at the November 23, 2019 test administration at Boston Latin Academy, located at 205 Townsend Street, Boston, MA 0212. Students will be able to walk into the test center with the required documents and register on site. Please review page 14 for a checklist of what to bring on test day.

Test accommodations are also available at the make-up test administration. Please follow the instructions listed on pages 7–10 and submit the accommodations request by November 8, 2019 for the November 23rd make-up test.

PLEASE NOTE: Students who take the exam on November 7th or 9th may not take the make-up test, regardless of the circumstances that might have affected his/her performance. The Boston Public Schools will not retest a student under any circumstances after November 23, 2019.

Getting ISEE Results:
Test scores will be reported automatically to Boston Public Schools/Exam School Admissions. Families will also receive an Individual Score Report for their child at the home address in late December. Parents also have the option of sending test scores to additional schools for a fee of $125 fee. Please refer to the last page of this booklet for the request form.

Step 5: Rank Exam School Choices & Submit Grades
In early January BPS will distribute school choice forms to families to collect ranked preferences of the three exam school choices, as well as any district school options. Parents are able to apply to one, two, or all three exam schools for grade 7 and 9 admission. Students currently in grade 9 may only apply for grade 10 admission at the John D. O’Bryant School. The form must be returned by Friday, February 7, 2020.

The Grade Point Average (GPA) is based entirely on the grades submitted by your child’s school. If your child attended a different school last year, please make sure the current school has a copy of the official transcript from the previous year. The grade information will be collected directly from the applicant’s current school and should reflect the marks from the child’s report card in English Language Arts (ELA) and Math courses.
Grade changes will not be accepted after exam school invitations are released in March. It is the parent’s responsibility to ensure the school completes the process and submits the information on time.

**Step 6: Notification of Admission Results**

Admission decisions are sent to families in mid-March to both the mailing address and parent email address on file. The decision letter will include the students ISEE scores, GPA, candidate rank, and admission status.

Admission decisions are final, and the exam schools do not have waitlists. BPS does not offer an appeal process since admission is strictly based on student academic performance.

**Criteria for admission:**

The admission score is determined by equally weighting the student’s ISEE score (50%) and Grade Point Average (GPA) (50%).

- Each subtest within the ISEE is equally weighted.
- The student’s GPA is based on marks in English and Language Arts (ELA) and Math from the previous school year (grade 5 or 7) and the marking periods of the current school year beginning September 2019 through January 2020.
- For students with grade 5 academic records from the Boston Public Schools, only the spring term marks in Reading, Writing, and Math will be used to calculate the GPA.
- For students applying to grade 10 at the John O’Byrant School, only the ninth grade English and math grades will be considered.
The Educational Records Bureau (ERB) administers the ISEE nationally and with the Boston Public Schools for exam school entrance. ERB provides a preparation book for each level FREE of charge when downloaded from the website www.iseetest.org. Preparation books may also be purchased in a hard copy format for $25 each.*

While other companies publish ISEE preparation books, these books are the only books authorized and approved by ERB. The list of available preparation books includes:

**What to Expect on the ISEE – Middle Level**
(Applicants to Grades 7 & 8)

**What to Expect on the ISEE – Upper Level**
(Applicants to Grades 9-12)

Each book includes level-specific background information about the ISEE test and experience, sample questions, a full-length practice test, and scoring information. The goal of these books is to help families understand the format of the test, directions given to students, types of test questions, and the answer sheet used.

* Please note if you choose to order the preparation book, the cost of $25 includes shipping and handling in the United States. The book is sent through the U.S. Postal Service using Priority Mail. Please allow 5–7 business days for delivery. If you live outside the United States, please call 1-800-446-0320 or 919-956-8524 for the international shipping cost and delivery time. You may order the book by calling 1-800-446-0320 or 919-956-8524, or online at www.iseetest.org. If you choose to download the book for free and print it yourself, the complete book is 140 pages in length.
