**Summer Reading Together** engages students in their rising grade to share the experience of reading and talking about the same book over the summer and when school begins. Boston school communities are welcome to opt into this one book/one grade summer reading program.

The goal of this initiative is to prevent summer reading loss, encourage pleasure reading, and foster a culture of readers. It is our focus to motivate, engage, and cultivate a culture of readers.

We encourage you to choose a second text to read from the reading list on the other side of this pamphlet. You may be asked to engage in a discussion about this text as well.

**Assignment:**

This summer, read your text for about 20 minutes per session.

As you read, consider the following:

**Fiction**

1. What do you think the author wants us to know? What is the author's message?
2. How did the author create humor; suspense; sadness, and so on? (provide examples)
3. Is the language in the text inviting and engaging? (provide examples)
4. How does the writing in this text compare with other fiction texts you read this year?

**Non-Fiction**

1. What do you think the author wants us to know? What is the author's message?
2. Did the author explain things clearly? (provide examples)
3. How does the authors use of language to explain experiences? (provide examples)
4. How does this text compare with other nonfiction text (articles) you read this year?

*Remember to highlight, underline, or write in the margins of the text. Share with someone in your home what you found interesting or confusing, and discuss why. In September, bring your book to school. Be prepared to share your thoughts about the text you read this summer.*

**Champion of Reading**

Do you have what it takes to be a Champion of Reading? How many activities can you complete before summer is over?

Check in every week from July 1 to August 26 with your librarian to show them your progress and to receive a prize. One prize per participant, per week.

Finish all the activities and you will be entered in a raffle to win a grand prize. Visit your local branch to participate in the grand raffle. One entry per participant.

This program is for children and teens from birth to 17. Go to [www.bpl.org/summer](http://www.bpl.org/summer) to print an activity sheet and for more information!

**Dear Parent/Guardian,**

The summer months are a wonderful time to explore the world of books and reading—and the staff of the Boston Public Schools and Boston Public Library look forward to helping you plan a reading program to last the whole summer.

Librarians from the Boston Public Library (BPL) and English Language Arts and Library teachers from the Boston Public Schools (BPS) compiled this book list. It was prepared by the BPL Office of Youth Services, BPS, Office of English Language Arts and Literacy and BPS Office of Library Services with support from the BPS Communications Office.

This Summer Book List will help you choose high-quality literature geared to the interests of high school students. All the books on the list are available at your neighborhood library. Your local librarian can suggest additional titles.

The Boston Public Schools is working to ensure high standards and high achievement for every student in every classroom, and literacy is a priority at all grade levels. We expect our students to work hard at reading and writing, and to keep reading year-round, and we need the support and encouragement of families to help us reach the goal of every student becoming an excellent reader.

Happy reading!

Sincerely,

*Laura Perille*
