Note: NCLB accountability status indicates change from 2007 to 2008: yellow (upper right) = worsened; white (diagonal) = stayed the same; green (lower left) = improved.

* 2008 NCLB status was based on the updated data that incorporated all approved MCAS discrepancies, computer errors and AYP appeal results. 137 schools received a 2008 preliminary NCLB status.

BATA, Carter and Community Acad did not receive AYP determinations due to no qualifying students groups.
