Note: NCLB accountability status indicates change from 2009 to 2010: yellow (upper right) = worsened; white (diagonal) = stayed the same; green (lower left) = improved.

* 2010 NCLB status was based on the updated data that incorporated all reported MCAS discrepancies that were approved and the results of AYP attendance appeals.

BATA, Carter Development Center, Community Acad, Greater Egleston, Middle School Acad and Lyon High did not receive a AYP determinations due to no qualifying students groups.
