Each program being offered is listed here. You can find more information about each program at BPS Summer 2023 or under the “Programs” tab on this website.
If the student you are completing the application for has siblings, you can indicate that here.

You will still need to do an application for each one, but this lets programs group siblings together when possible.
Boston & Beyond Consent Form

This form asks you to consent that the student’s image be used in future materials and performance data be shared within the organizations involved to identify key areas of success and growth. Please be sure to review the entire form before signing.

Dear Parent or Guardian,

Your student’s after-school or summer program is part of a citywide project. The project aims to understand the quality of after-school programs. Programs can help students grow their skills. Below, you will find more information about the project, which starts in May 2022.

What does this project need from my student to understand after-school and summer program quality?

a) Your student’s information, such as: program attendance, school name, race, gender, grade, age, date of birth, English learner (EL), Assigned Student Identifier (SASID), and BPS ID. You don’t need to have all of this information. With your permission, this program will use one or more of these short surveys:
   - Survey of Academic and Youth Outcomes (SAYO-Y): Asks about program experience and future plans.
   - Holistic Student Assessment (HSA): Asks questions to understand their social and emotional strengths and needs.
   - Common Instrument (CI): Asks about interest in science, technology, engineering, and math.

Will this information be private?

Yes. All of this information is private and is only used to improve after-school and summer programs. The data is only shared with organizations involved, including School & Beyond, BPS, the National Institute on Out-of-School Time (creators of the SAYO-Y), and PEAR Inc. (creators of the HSA and CI).
Review the statement and agree and sign form. Then click “SAVE & CONTINUE” for the final step.
Review and Send

This Step allows you to review your answers and selections for all the previous steps.

Click “SUBMIT APPLICATION” to submit the application for this student.

Reminder:
You will also need to submit applications for any siblings that you want to attend BPS Summer School.
Add Sibling Applications

As previously mentioned, if you have a sibling that you would also wish to enroll in BPS Summer program, you will need to submit an application for them also.

Once you review and submit an application in the previous step, you will find yourself on the dashboard. Click “ADD A STUDENT” to start the process over again for any additional students.
So, What Now?

- Don’t Forget to submit an application for any other siblings for this student, that you would like to attend BPS Summer Program.
- You should be notified within approximately 3 weeks of submitting your student(s) application. You’ll receive a notification from Enroll through the preferred method of contact that you listed when you created your login.
- After you are notified of an acceptance. PLEASE LOG BACK IN to accept the offered seats for your child(s).
- If you ran into any issues with your application, please connect with your schools’ liaison: [Summer 2023 - Liaison Contact (for Parents)]
- Liaisons and program leaders are trained to help families sign up and they are families first point of contact.
