★ WIDA ACCESS Test

★ ELSWD
BPS has released a public dashboard.

Click here for the BPS DASHBOARD

View information about Learning Model Selection, Student Attendance, Online Activity, Chromebook Distribution, and Staff Attendance.

Each page includes a description of the data that is included and provides context for the information. The data can be viewed for the whole district or by a school and reported by a student group, neighborhood, and other categories. We are sharing this information with the goal of increasing transparency and access to data for our families, staff, and the community.

The dashboard does not capture the richness of online instruction or other ways our teachers are engaging our students remotely or in-person. It captures a moment in time but cannot provide the full picture of student engagement and learning. BPS uses the data to identify trends and direct support and services in situations where attendance or engagement is low. In addition to this dashboard, each school has a more detailed dashboard that provides information on specific students which will not be shared publicly.
Members of the public can now review attendance data for English Learners.
BPS began distributing Chromebooks in March 2020 and is committed to ensuring all students who need a device receive one. The data on this page reflects Chromebooks distributed to date, and does not account for students who may already have their own device or who have not requested a Chromebook from BPS.

Data reflects 9/21-1/8

*The 3 UP Academy schools use a different data system, so are not included in the data on this page.
EL Student Participation in Remote Learning

Attendance is recorded each day by teachers using Aspen, the Student Information System. Students are considered present based on logging into one of the BPS learning platforms or though participating in class activities as assigned.

BPS has an average daily attendance of 90%: on an average day, 90% of students were recorded as present by their teachers.

Online activity reports capture students who used their BPS email address to log into one of the district's selected platforms, including all Google services (Gmail, Google Classroom, Google Meet, Google Drive), Clever, and other learning applications. It does not account for offline activities or other online activities not connected to a BPS email.

Updates on LOOK Act Implementation

Preparing an engagement campaign targeting the larger BPS community and external stakeholders in a series of structured dialogue about the Look Act, leveraging Dr. Silvia Romero-Johnson as a key facilitator of each session is being planned for Winter/Spring 2021.

*These sessions will allow opportunities for discussion in order to collect feedback that will inform the LOOK Act implementation plan that is to be submitted by end of year.*

Each stakeholder group would have an opportunity to be part of a panel conversation to share their feedback and vision for ELs in BPS.

## Updates on LOOK Act Implementation

### Workgroups

- **Pipeline Development** *(Recruitment, Cultivation & Diversity):*
  - Working in partnership with OHC and RCD to recruit a cohort of 15 current teachers for Spring 2021 for MTEL support.

- **Stakeholder Engagement**
  - Completed “Reminaging EL Education in BPS” proposal
  - Mather parent meeting -Vietnamese- 1/14
  - Cabo Verdean Dual Language Committee meeting hosted 12/21

- **Program Design/Site Selection**
  - Meeting on 1/28 to integrate feedback from Cabo Verdean DL committee meeting and relaunch school engagement

- **Vietnamese Workgroup**
  - Mather School funded to receive K2 and Grade 1 classroom-Budget Collab

- **Cabo Verdean Workgroup**
  - Burke: On track for opening of heritage program. School will host info session for parents on 1/20 and students on 1/22
  - Planning with Manuel Goncalves for a CV Heritage activity for end of January/early Feb
  - CV ELAC- promoted UMass Boston Event: 23rd Amilcar Cabral - Martin Luther King Jr. Commemorative Program

### Seal of Biliteracy

- **31** schools on board!
- Schools are sharing the dates for administering the STAMP test for the world language component
  - **February and March**
- Remote testing will be happening this year - removing a barrier we encountered last year
- Hosted a webinar with the testing company last week
- Meeting with all the school liaisons to support process
**Paragraph 56**

**Goal:** Notify each school of shortfalls in EL services in the following categories through EL School:
- ESL service minutes;
- ELs grouped according to their ELD levels;
- ESL instruction type;
- Teacher’s ESL certification to provide ESL services to ELs;
- and Teacher’s SEI Endorsements to provide core content instruction to ELs.

**Findings:**
- All BPS schools submitted EL School Plans except for 7 schools.
- Most common error was data entry for ESL minutes, which schools immediately remedied with support from OEL liaisons.
- Teachers without SEI endorsements were guided to sign up for RETELL classes or to complete their application through DESE.

---

**Paragraph 60**

**Goal:** Submit a list of any principal, headmaster, or employee who evaluates ESL and SEI teachers who did not complete a training on the topics of SEI and ESL instructional techniques, Second Language Acquisition, and Cultural Awareness.

**Findings:**
- 15 names were submitted.
- 9 are enrolled in a course or program that provide a path to SEI endorsement.
- 2 are interim appointments/acting positions.
- 1 is pending status from DESE.
- 3 are clerical issues in process of being resolved.

---

**Updates on January 2021 DOJ Reporting**

Paragraph 56 and Paragraph 60.
Goal: Submit an Attendance Sheet and a Bibliography of Materials for RETELL Teacher and Administrator Courses

- Submit, develop, maintain, and share a list of school staff members who meet specific requirements to ensure adequate services are provided to English Learner Students with Disabilities. These criteria are:
  - Staff who are ESL certified or have completed RETELL training and received an SEI Endorsement
  - Staff who have received training on the intersection between EL and Special Education service provision
  - Staff who are available to participate in special education team meetings

Paragraph 68

Paragraph 34, 35, cr 98

Goal: Submit list of ESL/SEI Opt Outs in the district
- In SY 20-21, 47 total Opt Outs approved
- Documentation was provided for 28 in the October 2020 report
- January 2021 report includes documentation for the 19 additional approved Opt Outs

Findings:
- SY19-20, 47 Opt Outs approved, same number as this year
- Most common rationale for opt out was student speaks only English
- Beethoven = 2 approvals
- Blackstone = 5 approvals
- BCLA = 4 approvals
- Dever, Irving, JFK, Timilty = 1 approval
- Dudley Charter, Jackson Mann = 2 approvals

Updates on January 2021 DOJ Reporting

Paragraph 68 and Paragraph 34, 35, cr 98
Paragraph 63

Goal: Submit total number of nurses at each school with SLIFE programing

Findings: Per current BTU contract, all schools have a 1.0 or higher nurse FTE count

Paragraph 84

Goal: Provide list of the District level and school-level general use documents that have been translated, and provide electronic access to such documents

- Translation & Interpretation Team has repository of docs
- Schools can access docs in ASPEN SIS

Paragraph 105

Goal: Provide master schedule of Budget Collab/Probable Org

- Master schedule provided and DOJ can request zoom links to attend any meeting of their choice
EL services requirements adjustments per DESE by Elementary and Secondary grade levels.

Updated SY20-21 Daily ESL Instructional Time: Proportional Change from 6 hour day to a 5 hour elementary or 5.5 hour secondary school day

Testing Updates

1) ACCESS testing window: January 7, 2021 - May 20, 2021.

2) Deadline extended from Feb 25 up to May 20, 2021 to ensure as many ELs have the opportunity to test in person.

3) All ELs reported in the October SIMS report, and including provisional ELs, must take the ACCESS test.

4) Students who exited EL status, were determined to be non-EL, or have significant cognitive disabilities in Kindergarten do not have to take the ACCESS test.

5) WIDA ACCESS results are expected to be returned in August 2021, with printed reports to schools in September.

Impacts on ELs

1) Students will have an opportunity to be assessed in regards to their growth to proficiency and EL status.

2) Schools and NACC are able to collaborate in ensuring there are sufficient testing windows for students.

3) Determines who is eligible to take the ACCESS assessment.

4) Determines who is not required to take the ACCESS assessment, thus freeing up testing resources.

5) Students and families will learn about their EL status at the beginning of the Fall.
What is being communicated to EL families?
A communication plan is being drafted as part of the district’s statewide assessment working group.

How can the Task Force help?

Recommendation: Be aware that there is advocacy at the state level for:

- the state to not hold districts to the minimum participation rate
- for DESE to provide a remote assessment and/or funded alternative assessments.

What is being asked of ELs?
As required by state and federal policy, ELs must take the ACCESS assessment.

Proposed Scenario: School based ACCESS Test Coordinators will work to identify a time for ELs to take the ACCESS assessment.
OEL/OSE Action Steps and Updates

➢ EL TF ELSWD Subcommittee met 12.17
  ○ 9 Priorities for further examination and discussion
  ○ 9 Urgent Needs Areas identified for action planning

➢ Revision of Special Education Process to Address ELSWD Needs
