

Who We Are

We are a group of parents and teachers dedicated to the performing arts program at the Franklin D. Roosevelt K-8 School in Hyde Park. We are committed to working on fundraising, publicity, and branding throughout the year to improve our program and ensure that many students can benefit from our performances.

Mission Statement

FDR Drama Club is a fully inclusive theater arts program for all students at the Roosevelt School in Boston, MA. Regardless of students strengths and abilities, we believe that everyone is someone on stage. Our mission is to encourage and enhance students' enthusiasm, confidence, self-esteem, communication, and social skills. We aim to provide students the opportunity to build lasting relationships across grades and cultures while creating an appreciation for the performing arts. We strive to provide a fun, safe and caring environment where the excitement of theater is shared by all. We continue to grow our ensemble to reflect the diversity of the community we serve while teaching lifelong, 21st century skills.
