Summer Learning Packet

paquete de aprendizaje de verano

Sumner School

Name/Nombre: _____

We hope that you have a wonderful summer filled with reading great books. Today you received your summer reading book. Every BPS student in your grade will be reading the same one.

What fun it will be talk about your book with others this September!

One Book One Grade Summer Reading Together 2022 Assignment

This summer, read your assigned text for about 20 minutes per session, several times a week. Parents can read aloud to your child, invite your child to read to you, or read together. Audiobooks are available at Boston Public Library (bpl.org). When you finish your assigned book, choose books from the lists located on the back of this flier. The same list is at bostonpublicschools.org/summerreading.

As you are reading, please find ideas that stand out to you. You can also think about the following questions:

Fiction Text	Non-Fiction Text
<ul style="list-style-type: none">• How are the characters feeling? What in the book tells you how the characters feel?• Who is your favorite character in the story and why?• What connections can you make between your own life and the characters and situations in this book? What is different from your experiences?	<ul style="list-style-type: none">• Why is the topic of this book important or interesting to you? What would you want other people to know about this topic?• What new information are you learning?• What more do you want to learn about this topic? What in the text makes you want to learn more about this topic?

Discuss your questions and reactions to the book. Consider making notes on a piece of paper as you are reading or sharing your thoughts with a picture, bookmark, flip-book, padlet, Tik-Tok, Flipgrid. Share these creations with someone. Have fun reading across Boston in parks, on the Greenway, or along the Charles. In September, bring your book to school and be prepared to discuss this with your school community.

Enjoy Boston Public Library's Summer Reading Program.

There are reading activities planned all summer long at www.bpl.org/summer

Opportunities for growing your personal library:

- ReadBoston book giveaways
- Free Library boxes
- Boston Public Library book giveaways & sales
- Boston Teachers Union book giveaway

SUMMER READING

BINGO

Read to a pet or stuffed animal

Build a fort and read inside.

Read by the pool, ocean, or a lake

Make up a reading game

Read to someone on the phone

Read in the dark with a flashlight

Have a picnic and read

Write a poem or sing a song about reading

Read under the covers in your bed

Draw a picture from your favorite book

Read on a swingset

Read to a baby or little kid

Write your own book

Read while you eat your favorite snack

Read a book that rhymes

Recommend your favorite book to a friend

Summer Learning Continues Online!

Did you know that the same virtual learning resources your child used all year are available to you through the summer? Access through the Clever Portal on any device: <https://clever.com/in/bostonpublic/>. Use your child's BPS login and password. Forgot your password? Ask your child's teacher.

	Lexia Adaptive activities aligned to your student's reading abilities and needs
	Epic Access to a wide variety of digital books, including text and audio books
	RAZ-Kids Access to books and activities with an optional game-based incentive program. Available 6 am- 3pm Monday-Friday with a school account.
	ST Math Adaptive activities aligned to your student's mathematical and reading needs

***You may be able to borrow a Chromebook and Internet Hotspot from the Boston Public Library. Talk to a librarian or learn more at www.bpl.org/chromebook. ***

BPL Summer Reading Reading & Activity Log

List books you read and Library programs you attend below. When completed, share your log with your librarian for a chance to win a prize!

Summer Math Learning Calendar

For Students Entering Kindergarten

Discover math all around you this summer!!!

In the summer calendar, you will find creative math activities to explore at home with your child. Enjoy thinking and talking together about what you notice and wonder about numbers and shapes. While your child is exploring, ask how they discovered the answer!

The Summer Math Learning Packet consists of 2 calendar pages, one for July and one for August. Literature and websites are also recommended to explore mathematics in new ways. You can help your child keep track of what they find in a simple math notebook.

Most importantly, have fun!

Fun math books to read	Fun websites to explore
<p><u>Chick Chicka 1-2-3</u> by Bill Martin <u>Emeka's Gift</u> by Ifeoma Onyefulu <u>My Painted House, My Friendly Chicken, and Me</u> by Maya Angelou <u>Benny's Pennies</u> by Pat Brisson <u>Pattern Fish</u> by Trudy Harris <u>Inch by Inch</u> by Leo Leonni <u>Ten Flashing Fireflies</u> by Hilemon Sturges <u>The Greedy Triangle</u> by Marilyn Burns <u>A Chair for My Mother</u> by Vera B. Williams</p>	<p>www.pbskids.org https://illuminations.nctm.org/ www.setgame.com</p>

July 2022 Entering Kindergarten Math Calendar

Day 1	Day 2	Day 3	Day 4	Day 5
Start a summer collection! Find some rocks, shells, leaves, or other objects you like. Find ways to sort them. Draw a picture of your collection.	Clap your hands or stomp your feet to show how old you are. Say the number to go along with each clap or stomp.	Make a picture using circles and triangles. Explain to a friend how you used shapes to make your picture.	Go on a "shape walk." Find as many squares, circles, triangles and rectangles you can around your house and yard. Draw some of the things you see.	Play "I Spy," using terms beside, inside, next to, close to, above, below, apart. One player names an object and asks the other player to name the object and another object in relation to it.
Day 6	Day 7	Day 8	Day 9	Day 10
Trace your hand on paper. Cut it out. Find something that is smaller, bigger, and the same length as your hand. Record.	Before you eat your snack today, count how many pieces you have. Eat one. How many do you have now?	Use sidewalk chalk to create a hopscotch course. Play. Count as you land on the numbers.	Write your first name. Count how many letters are in each? Can you write the number of letters in your name?	Have an adult count how many times can you jump on one foot? Two feet?
Day 11	Day 12	Day 13	Day 14	Day 15
Look around the room. How many red objects can you find in your house?	Draw a picture of your family from youngest to oldest.	Play a board game. You can use and decorate the board game attached to the calendar.	Name all of the colors in your shirt. How many colors are in your shirt?	Draw 2 different sized circles. Color the biggest circle red and the smallest circle green.
Day 16	Day 17	Day 18	Day 19	Day 20
Make a picture using 2 circles, 3 triangles, & 1 rectangle. Explain to a friend how you made it.	Name all of the colors you are wearing today.	Take a square walk. Look for items shaped like a square. What are they?	Predict how many spoonfuls it will take to finish your cereal. Count each spoonful as you eat.	Grab a handful of cereal or grapes. Count how many pieces of cereal or grapes in your handful.
Day 21	Day 22	Day 23	Day 24	Day 25
Set the table for supper. Put out enough plates and utensils for each person	Add to your summer collection! What did you add? Draw a picture of what you added to your collection.	Pick two objects in your house. Describe them using words such as long, short, tall, heavy, light, big, small, wide, narrow.	Sort socks while helping with laundry. Match socks by color and by size and put pairs together. Count how many pairs of each color and size?	Start with 5 pieces of food at snack time (cereal, pasta, beans, chips, fruit, vegetables etc.) Eat 2. How many do you have left? Can you draw a picture to show how many you have left?

August 2022 Entering Kindergarten Math Calendar

Day 1	Day 2	Day 3	Day 4	Day 5
Jump 3 times on your left foot and 5 times on your right foot. How many times did you jump altogether?	Count the number of arms there are in your house!	When you are outside today, look for numbers. Say the numbers as you see them.	Draw a picture of your family and count them.	Count your fingers? How many fingers in all? Now count your toes. How many toes do you have? What do you notice?
Day 6	Day 7	Day 8	Day 9	Day 10
Take a look in your closet or drawers. How many blue items can you find?	Go around the house and count the windows and doors. Are there more windows or doors? Draw the one with more.	How many big steps can you take to cross a room?	Count all the chairs in your house. Count all of the beds in your house. Which do you have more of?	Hold a shoe and a sock. Which one is heavier? Hold a book and a pencil? Which one is lighter?
Day 11	Day 12	Day 13	Day 14	Day 15
Go on a number scavenger hunt. Look for the numbers 1-10 in a magazine or newspaper. Point to each number and say it as you find it.	Using a pencil, measure how high your bed is. Draw that many pencils.	Count aloud as you jump from your bed to the bathroom. Now skip back to your room.	Take a walk around your house. Do you see anything in groups of two? Draw a picture of what you see.	Create a hopscotch pattern outside and play with a friend.
Day 16	Day 17	Day 18	Day 19	Day 20
Use sidewalk chalk to practice writing your numbers 1-5 really big. Write other numbers you know.	Take a shape walk. Look for shapes. Say the name of the shape and trace the shape with your finger.	Draw a circle in the middle of the paper; now change the circle into a picture.	Find 2 small objects (beans, blocks, crayons, cereal etc.) Put them on the table. Now find 3 more small objects. Put them on the table. How many objects do you have in all? Can you write the number?	Find a calendar and count how many days until school starts. Then find out how many weeks until school starts.
