- Thursday, August 19, 2021 from 5:00 pm - 6:30 pm
MISSION STATEMENT

The Mission for the Boston Public Schools Return, Recover & Reimagine student Commission is to use originality, creativity and imagination to ensure that every child in every classroom in every school receives what they need to be socially, emotionally and academically successful.

Commission Objectives:

1. Amplify the voice of students in Boston Public Schools, supporting their development as leaders and community advocates
2. Provide recommendations on how students envision ESSER funds being used across the district, specifically in Schools buildings and throughout the Community
3. Receive feedback on how commission members envision student engagement in Boston Public Schools moving forward.
Commission Expectations

- Everyone speaks during breakout groups
- Students share out after break out groups
- Students respect each voice and idea
- Everyone participates in the activities

Let’s discuss ESSER Funds

BPS is applying for upwards $400 million from the Coronavirus Aid, Relief and Economic Security Act (CARES) and the Elementary and Secondary Schools Emergency Relief fund (ESSER) over the next three years.
Focus Areas

- **High Quality Pathways**: Childhood to career
- **Equitable Access**: Opportunity & Enrichment
- **Multilingual Learning**: Innovative ELL practices
- **Strengthen Core**: Least restrictive environments plus
- **School Environments**: Build BPS and beyond
- **Community**: Invest in children & families
Return

- ESSER Funds will be used to ensure that students have a successful return to the classroom
  - Adequate number of staff and teachers
  - Most students should have access to proper technology
  - School supplies
  - Sanitary supplies

Recover

- ESSER funds will be used to ensure that schools and students recover from the effects of COVID
  - Schools will ensure that students are on track to graduate on time
  - Schools will prepare students to excel in standardized testing
  - Funds will be used to ensure that all students are academically prepared.

Reimagine

- Funds will be used to create new systems to engage students, families, and communities
  - What are some ways that we can use ESSER funds to create new systems to engage students, families and create community?
  - In what ways can schools improve on pre-existing communication pipeline systems?
III. Breakout Activity (20 min)

Scenario: If you had the opportunity to invest $1 million dollars into your school, what would you invest in?

A. How would you like to see your school invest in its community?
B. What current school systems (educational or otherwise) would benefit from increased attention and funding?
C. In what ways could schools use ESSER funds to increase diversity and inclusion?
