

# MADISON PARK COVID-19 RESPONSE

**Dear Madison Park Students,**

We are dealing with uncertain times, but we hope you are all safe and healthy. This pandemic is just one more learning experience, preparing you for the future. While we are physically apart, take this time to learn, grow with your family, and volunteer in your community. This will pass and in the meanwhile, we are excited to take our learning online.

**We Miss You!**

**Madison Park Teachers, Faculty & Administration**
