Applying to the Boston Exam Schools

The Boston Public Schools (BPS) has three exam schools – Boston Latin Academy, Boston Latin School, and the John D. O’Bryant School of Mathematics & Science. Students must be residents of Boston to apply for and attend an exam school. Admission is based entirely on a student’s grades and test scores from the Independent School Entrance Exam (ISEE). The BPS administration of the ISEE does not include the essay component.

Eligible students must currently be in grade 6 to apply for grade 7, or grade 8 to apply for grade 9 at all three exam schools. Students currently in grade 9 may take the exam to apply for grade 10 at the John D. O’Bryant School of Mathematics & Science only.

If you have questions about the Boston Exam Schools, the admission process, the residency policy or require assistance, please contact:

Please remember to keep a copy of your verification receipt to present on test day.

The Residency Verification Period will be open from October 6 through November 7, 2014 at the BPS Welcome Centers. If you do not complete the residency verification process, your child will not be allowed to sit for the exam and/or considered for admission to an exam school. **There are no exceptions to the residency policy.**

The make-up test date is for students who were unable to attend the first Saturday test administration due to serious illness, injury, family crisis, or other unusual circumstance. For families who missed the registration period in September, walk-in registration will be available on site. *(Please refer to residency and student identification requirements)*

Students who take the exam on November 8 may not take the make-up test, regardless of circumstances that might have affected his/her performance.

The Boston Public Schools will not retest a student under any circumstances after November 22, 2014.

Please call Enrollment Planning & Support at 617-635-9512 if you have any questions regarding the make-up test.

Alternative Test Date

Families have the opportunity to register for a national ISEE administration on an alternative date with the Education Records Bureau. However, the Boston Public Schools will only accept one set of test scores. If national testing is selected, it is the parent/guardian's responsibility to schedule, pay, and have the student test no later than November 22, 2014 to be considered for the Boston exam schools. **There is no exception to this policy.**

Students applying to private and independent schools as well may want to consider taking the ISEE at a national test site. A national test administration includes the multiple choices sections and the essay component. In addition, a national test administration will allow scores to be sent to the Boston Exam Schools and an additional five ERB member schools. The school code for the Boston Exam Schools is 888888.

It is the parent/guardian's responsibility to ensure that the ISEE scores from a national test administration are forwarded to Enrollment Planning & Support for receipt by Friday, December 5, 2014.

To view a list of the national ISEE locations, please visit the ISEE online registration at www.iseetest.org. Please be advised students may sit for one test administration within a six month period.

Score Report Request

Students taking the ISEE with Boston Public Schools have the option of sending a score report to six additional ERB member schools. There is a \$100 fee for this service. Please refer to the last page of this booklet for the request form. Your scores will be reported automatically to Boston Public Schools.

If you are applying to multiple schools, including the Boston Exam Schools, consider taking a national test administration (see Alternative Test Date section). You will be able to receive a copy of your child's test scores two weeks after their test date.

The ISEE

The Independent School Entrance Exam (ISEE) consists of four subtests and is administered for the City of Boston by the Educational Records Bureau. The Middle Level test will be used for candidates entering Grade 7. The Upper Level test will be used for candidates entering Grades 9 and 10. The examination consists of verbal and quantitative reasoning sections that measure your capability for learning. It also consists of reading comprehension and mathematics achievement sections that provide specific information about what you have learned in school in these subject areas.

The Boston Public Schools test administration does not include an essay component.

ISEE MIDDLE and UPPER LEVELS

- sentence completion

Quantitative Reasoning (Middle Level)

The entire test takes about two hours and ten minutes. The time will vary somewhat depending on such factors as the length of time required to read directions, answer questions, etc.

Test Preparation

The Educational Records Bureau (ERB) understands the value and desire for parents and students to “see” the types of questions that will be presented on each level of the test, and help make it as fair as possible for all families to gain access to the same information preparing students for the test. ERB is pleased to offer a preparation book for each level FREE of charge when downloaded from the website www.iseetest.org. Preparation books may also be purchased in a hard copy format for \$20 each.*

Free preparation books available are:

What to Expect on the ISEE – Middle Level
(Applicants to Grades 7 & 8)

What to Expect on the ISEE – Upper Level
(Applicants to Grades 9-12)

Each book includes level-specific background information about the ISEE test and experience, sample questions, a full-length practice test, scoring information. Please understand that these books are not training books for exam strategies, and they are not a shortcut to higher scores. The goal of these books is to help families understand the format of the test being taking, the directions given, the types of test items, and the answer sheet used.

While other companies claim to have ISEE preparation books, know that these books are the only books authorized and approved by ERB.

* Please note that if you choose to order the preparation book the cost of \$20 includes shipping and handling in the United States. The book is sent through the U.S. Postal Service using Priority Mail. Please allow 5-7 business days for delivery upon receipt of your order. If you live outside the United States, please call 1-800-446-0320 or 919-956-8524 for the international shipping cost and delivery time. You may order the book by calling 1-800-446-0320 or 919-956-8524, or online at www.iseetest.org. If you choose to download the book for free and print it yourself, the complete book is 140 pages in length.

Test Preparation

Getting Ready for the ISEE

- The best way to prepare for the ISEE is to continue to work hard at your studies.
- You should attempt to answer every question, but do not spend too much time on any one question. It is better to go on to the next question. You may return to omitted questions if time permits.
- You will not be penalized on the test for guessing, but avoid making wild guesses. If you can eliminate one or more incorrect answers, you increase your chances of being right.
- Do not worry if you are unable to complete the test.
- No student is expected to answer every question correctly.
- In general, ISEE scores show what you have gradually learned over a period of time. Last minute cramming for the test is not helpful.

The ISEE is a multiple choice exam in the subjects of English Language Arts and Mathematics. The Middle Level test will be used for candidates applying for grade 7, and the Upper Level test will be used for candidates applying for grades 9 and 10. The November 8th exam does not include an essay component.

Subtest	No. of Questions	Time Limit
Verbal Reasoning	40 Questions	20 minutes
Quantitative Reasoning	37 Questions	35 minutes
Reading Comprehension	36 Questions	35 minutes
Mathematics Achievement	47 Questions	40 minutes

Test Day Procedures

Students must arrive at their assigned test center with all required documents at 8:30 AM on Saturday, November 8, 2014 to check-in. Students will be escorted to a testing room for the exam administration process.

- a. The test administrator will give students all the instructions needed to take the exam.
- b. Books, magazines, calculators and calculator watches, timers, stop watches, etc. will not be allowed in the test room.
- c. Students may wear a regular watch to help keep time.
- d. Parents are not allowed in the testing rooms and/or the test site building.
- e. Food, snacks, and beverages are not allowed in the testing rooms.
- f. Test administrators will invalidate the exam and dismiss any student who violates the expected rules of conduct including, but not limited to:
 - giving or receiving help on the exam
 - causing undue disturbance
 - using notes, calculators, or other aids without approval
 - purposely working on the wrong section of the test
 - attempting to take the exam for someone else
 - using cell phones, pagers, or beepers.

In the event of a dispute concerning a candidate's behavior during the test, ERB will allow the candidate to provide additional information to resolve the matter if possible. ERB reserves the right, however, to cancel a candidate's test scores if there is reason to question their validity.

NOTE: The ISEE is a secure test.
